

Take That

- Take That is a British pop rock band that has dominated the national charts for five years. Their difference from other "boys" groups of the 1990s was that the participants composed their own songs. The BBC called Take That «the most successful British team since The Beatles»

- The team was formed in 1990 at clubs and schools. In a very short time, they managed to lead the UK national charts. "Good" (1995) was among the top 100 chart. Soon after the break-up, leaving the group was announced. He became a very popular solo singer who topped the world. In February 1996, he released a farewell hit cover version of the

- Take That became a trio when in September 2014 it was announced that the group was leaving Jason Orange. Robbie Williams also did not participate in the recording of the album. Album III was released on November 28, 2014 and climbed to the top of the British chart. Tour in support of the album was held in the UK, the Netherlands, Germany, Denmark, Austria, Switzerland and Italy.

The next album Take That, called Wonderland, will be released on March 24, 2017. Release of the first single Giants took place on February 17.
