

The top front will be like image 2 - there will be two seams above and just below breasts and fabric will be ruched like in the image 2.

Waistband will be like in image 1, and trousers too. follow the link to the original jumpsuit, there's video in the page to better visualise it.

Illustration: please can you make the jumpsuit in a dark beige/tan colour like the clay shade on the left. Please follow the design instruction just above. You can choose the pose of the model, but please make her light skinned with Asian features

design: spaghetti straps, above ankle length, gathered at top. Straps to be 10cm longer at back, so back it's more lowered than front. Bottom circumference to be even.

Illustration: same colour as photo. You can choose the pose of the model, but please make her dark skinned and with the hair done up in a high bun.
