Text

- We have a beautiful theatre in our city. It is a modern building situated not far from the city centre. The visitors can enjoy watching **dramas, tragedies** and comedies there. Sometimes **theatre companies** from other cities or countries perform their opera and ballets on its stage. The visitors usually buy tickets beforehand in the **ticket booth**. You can also take **opera glasses** there. After that you follow your way to **the theatre hall**.
- **The orchestra pit** is next to the stage. The curtain goes up and you become **a spectator**. If the spectators enjoy the performance, they **break into applause**. **The interval** starts when the lights go up.
