Moscow state pedagogical university

SOMETHING ABOUT ME

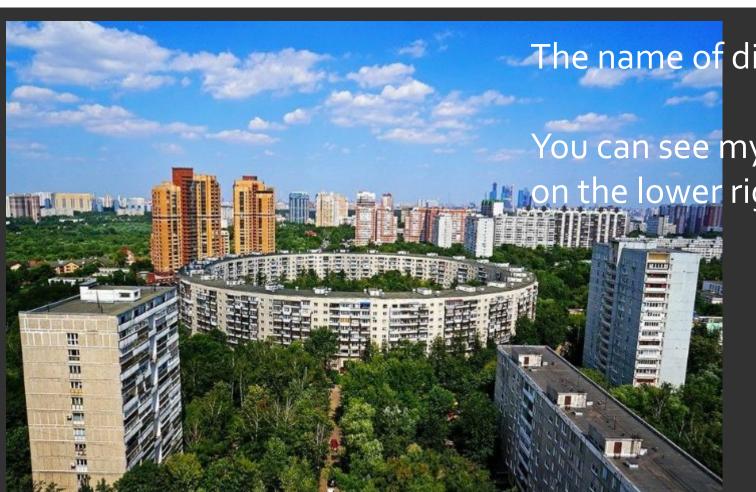

Work is done by

Droghina M.S

Student of 1 course

Lecturer Semich J.I.

MY DISTRICT

The name of district is Ochakovo-Matveevskoe

You can see my house at this photo, it's located on the lower right angle of this picture

Also you can see the round house. There are only two such houses in whole Moscow

ABOUT ME

Thoughts of being a teacher appeared in my head already when I was a little girl

I liked to be a teacher of Russian language during the time of playing with friends

MY SCHOOL

You can see the part of my class with my teacher of English language

The school number is 815

MPSU

My group, which became a real family for us

Happy faces with diplomas !!!!!!

MPSU

We worked with metal

We made toys, for example teddy bears, and the line of toys -my graduation work

MY JOB

I work in the House of culture, which is called Gagarinets by districts system of culture called Planet

THANK YOU FOR YOUR ATTENTION!
