Beer is Freedom

Beer is Inspiration

Beer is Sorcery

We, Black Cat Brewery, think so.

In 2015 we brewed our first beer with will to retrieve Freedom of action, which we could not reach, while working in large companies. For us, beer is a way to express out thoughts and feelings, beer is our Inspiration. And from the moment of our first contract brew it becomed an integral part of our life — a Sorcery of eternal transformation of ideas, ingredients and labors into the drink we create for you.
