Yuri Khovanskii -
scandalous
videoblogger, stand-up
comedian from St.
Petersburg. Refuel on
its own channel
Russian Stand-up on
Youtube. Yuri calls his
humor alternative.

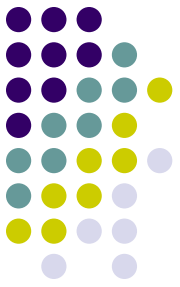

In youth :

Parent Yuri wanted their son after the 11th grade he entered the St. Petersburg State Engineering and Economic University (ENGECON). However, not enough points Khovanskii exam, so he went to the programmer. Through time, the future yutuber realized he did not want to learn from the programmer, so left his first university.

Khovanskii in youth

Later, he enrolled in the St. Petersburg State University of Economics in the correspondence department. Despite the conflicts with some of the teachers, Yuri graduated with honors in 2014.

О, Господи, что за бред?

Thank you for attention!
Have a good day.
