

Handwritten cursive letters 'A' and 'a' on a three-line grid. The letters are dark red. The uppercase 'A' has a red dot at its top peak and another red dot at the start of its horizontal crossbar. The lowercase 'a' has a red dot at the top of its vertical stem and another red dot at the junction where the stem meets the bowl. A green arrow points downwards from the top line towards the 'A'. A small, textured yellow square is located between the two letters.
