We

is a dystopian novel by Yevgeny Zamyatin completed in 1921.

- We is set in the future. D-503, a engineer, lives in the One State, an urban nation constructed almost entirely of glass, which assists mass surveillance. The structure of the state is Panopticon-like. People march in step with each other and are uniformed. There is no way of referring to people save by their given numbers. The society is run strictly by logic or reason as the primary justification for the laws or the construct of the society. The individual's behaviour is based on logic by way of formulas and equations outlined by the One State.

Harry Potter

my favorite part

Harry meets Dobby, a house-elf who warns him bad things will happen if he returns to Hogwarts.

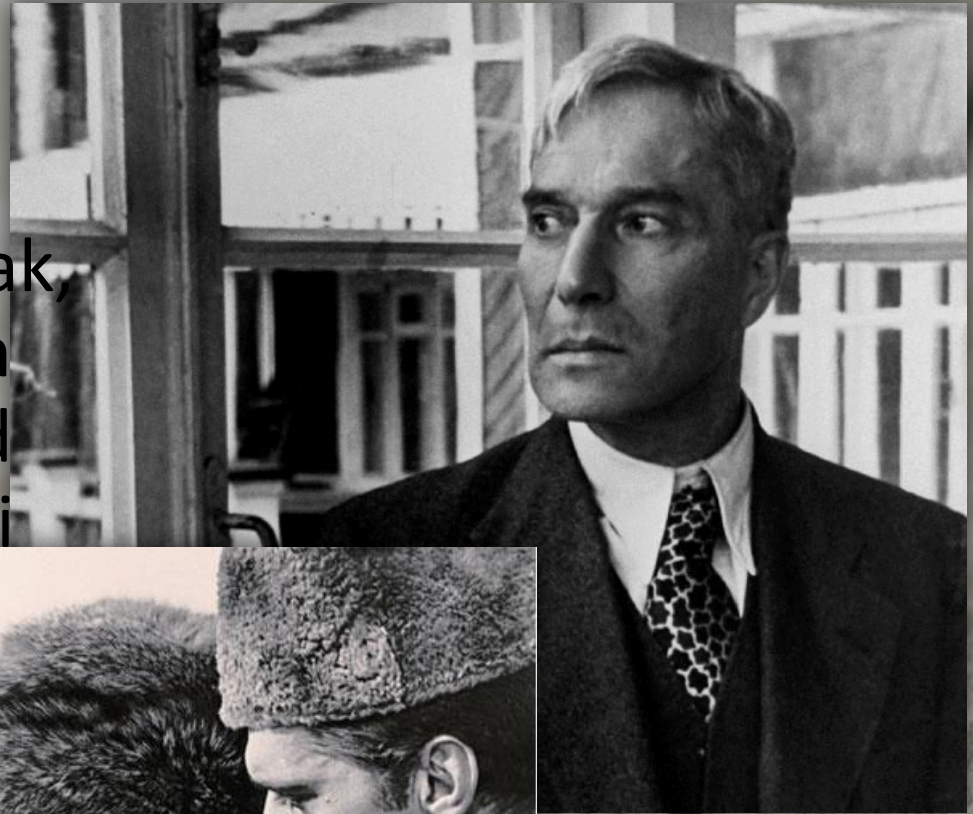

Potter hears strange voices and later finds a message written in blood announcing the "Chamber of Secrets has been opened, Enemies of the Heir, beware". One of Hogwarts' founders, Salazar Slytherin, constructed a secret Chamber and placed inside it a monster that only his Heir can control, to purge the school of impure-blooded wizards and witches. More attacks occur over the course of the year.

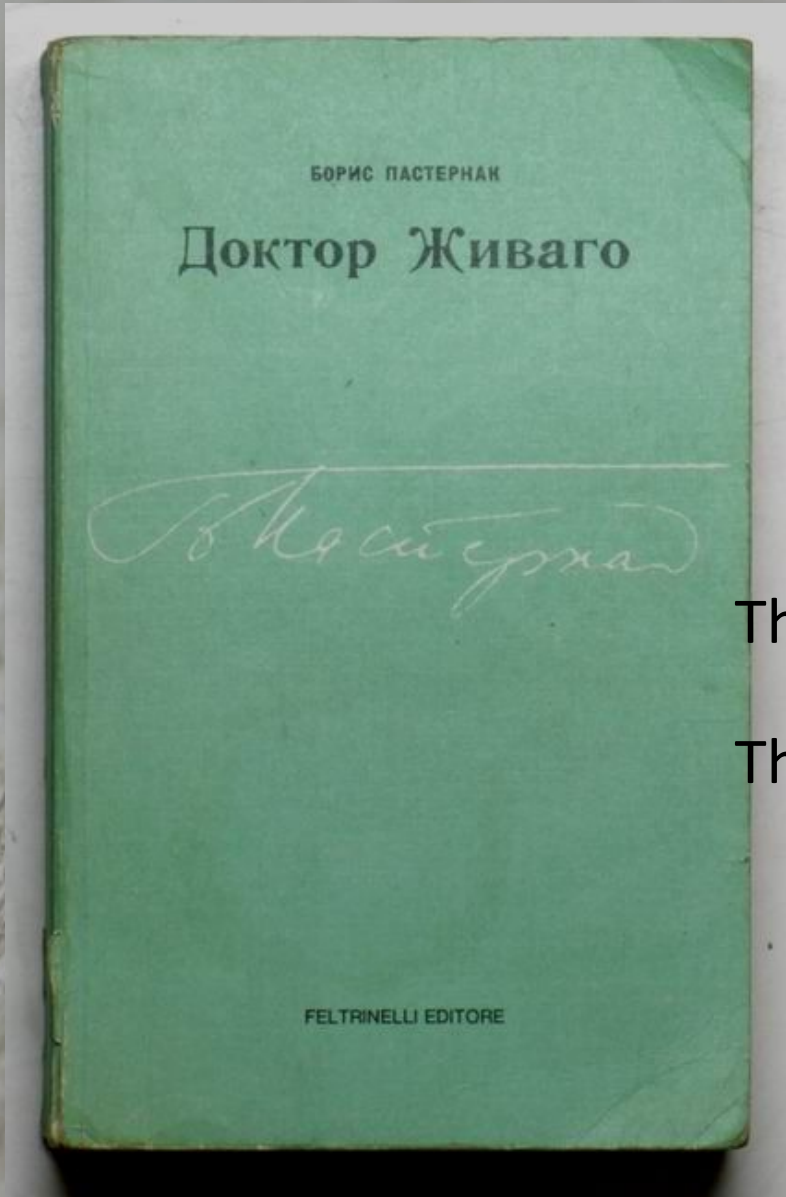

Soon Harry and his friends face new adventures, trying to defeat the dark forces.

Doctor Zhivago

is a novel by Boris Pasternak, first published in 1957 in Italy. The novel is named after its protagonist, Yuri Zhivago, a physician and poet, and takes place between the Russian Revolution of 1905 and the Civil War.

The story begins in Tsarist Russia in the early 1900s and is set primarily against the backdrop of the Russian Revolution of 1917 and the subsequent Russian Civil War of 1918–1921. The title character is poet and doctor Yuri Zhivago, who first sees Lara (a young woman from Moscow) from the window of a café.

This book is about love, about Russia, about the Russian intelligentsia. Through the intertwining of the destinies of the sets shown dramatic story of unrequited love. Human shadows flit, leaving only a vague outline of the individual human destiny is inextricably linked with revolution, war, deprivation...
