# Давайте нарисуем

## лебедя Сквозь летние сумерки парка

По краю искусственных вод  
Красавица, дева, дикарка –  
Высокая лебедь плывёт...

Головка ее шелковиста,  
И мантия снега белей,

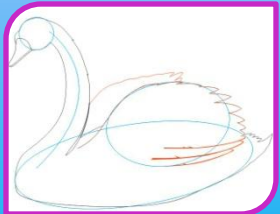

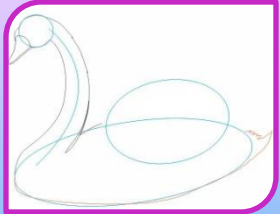

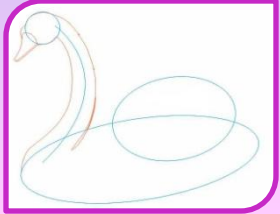

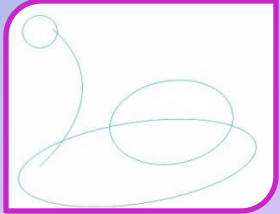

И дивные два аметиста  
Мерцают в глазницах у ней.

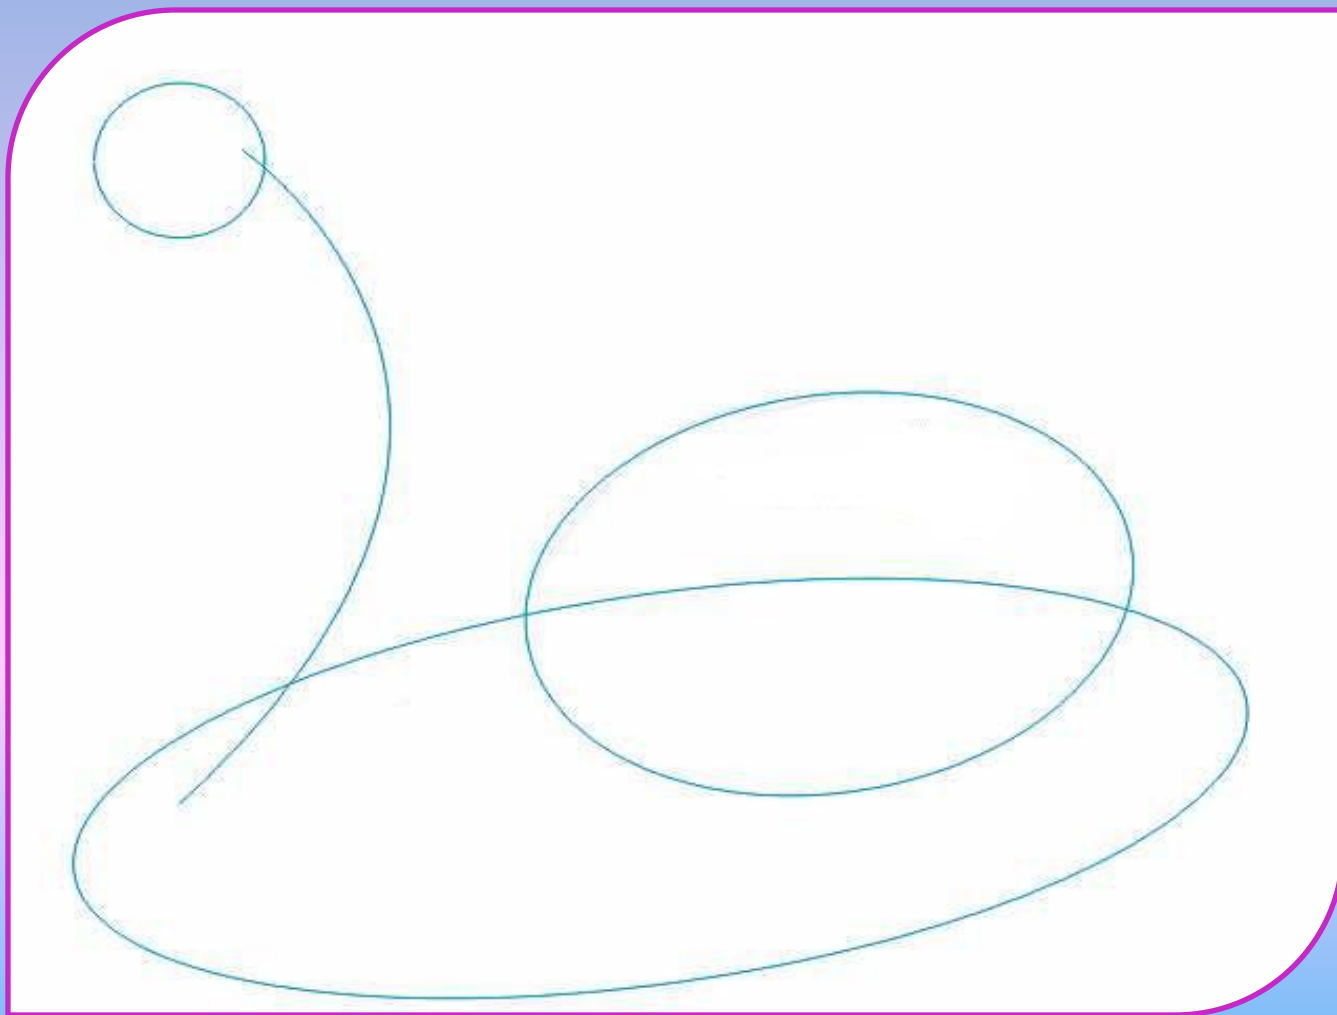

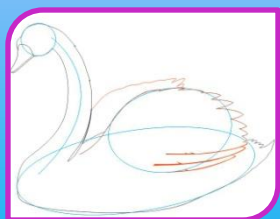

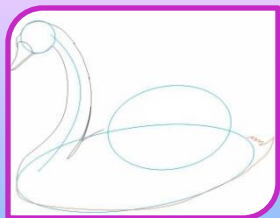

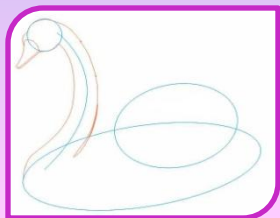

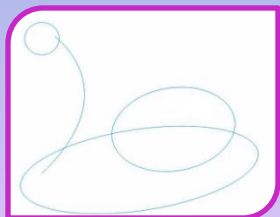

И светлое льется сиянье  
Над белым изгибом спины.

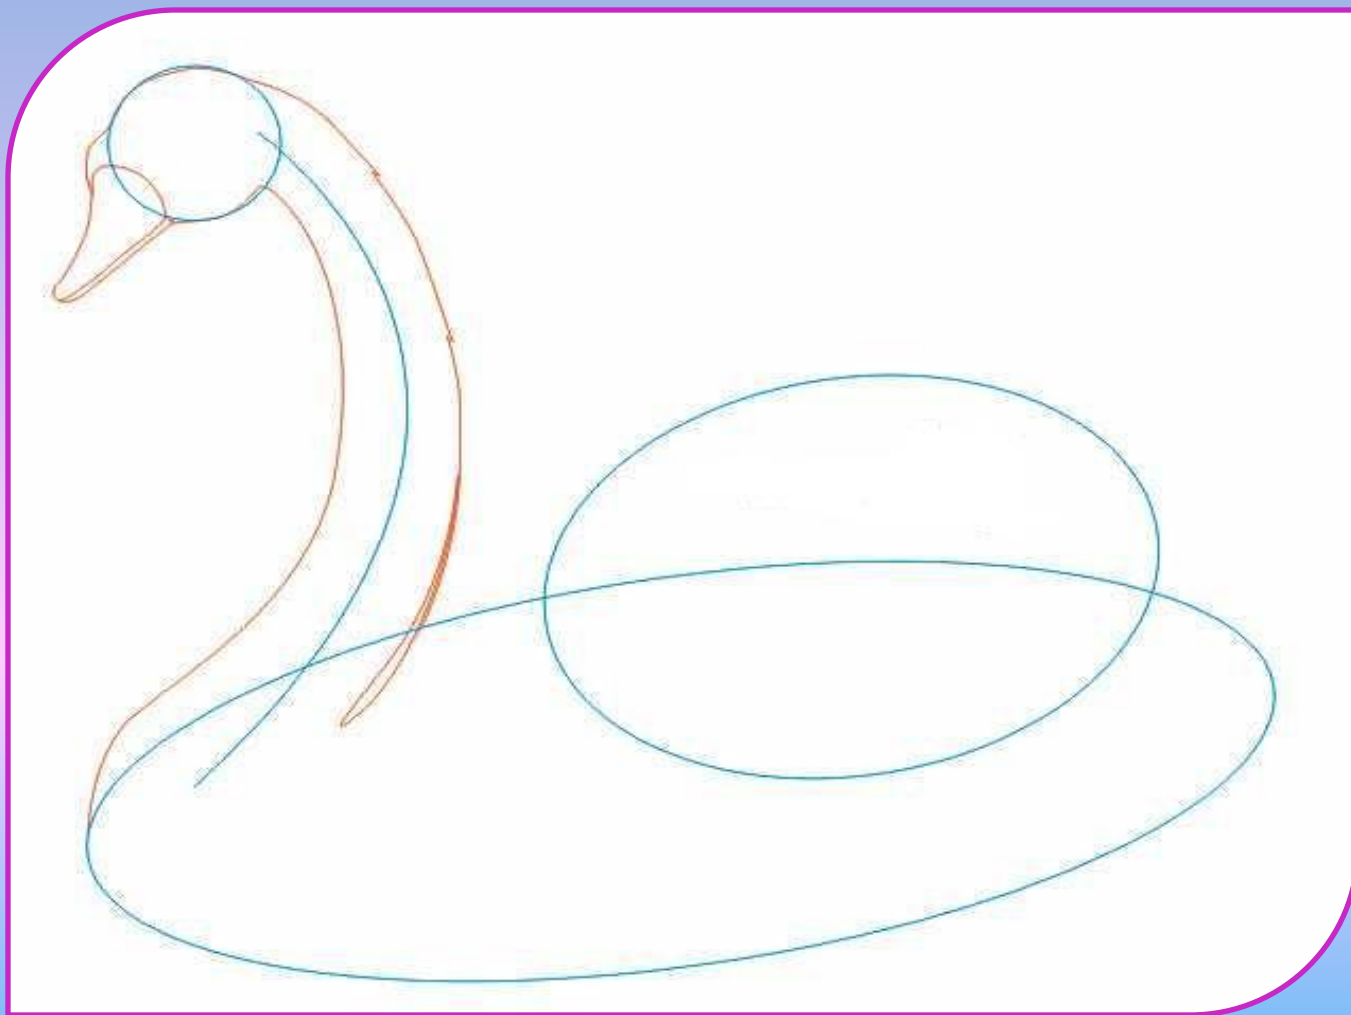

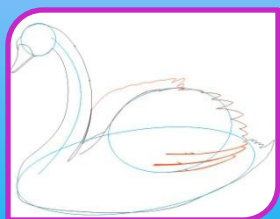

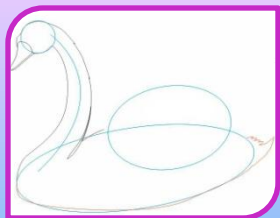

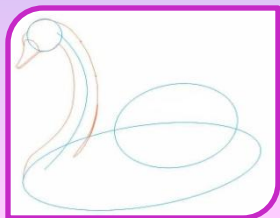

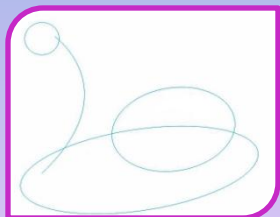

И вся она как изваянье  
Приподнятой к небу волны.
