

Twenty One Pilots

The band was formed in 2009 in Columbus, Ohio. By College friends, Tyler Joseph, Nick Thomas, and Chris Salih. Tyler came up with the band name while reading "All my sons" by Arthur Miller, a play about a man who must decide what is best for his family after causing the death of twenty one pilot during World War II because he knowingly sent them faulty parts for the good of their business. Tyler explains that this story of moral dilemma was the inspiration for the name of the group. December 29, 2009, they released their debut, self-titled album and began touring Ohio.

A promotional photograph of the rock band 10 Years. The two members are shown from the chest up against a solid red background. The member on the left has bright red hair and is wearing a white hoodie with black stripes on the collar. The member on the right is wearing a red knit beanie and a white collared shirt with a black neckerchief. The text is overlaid in the center in a white, bold, sans-serif font.

They became famous thanks to their song "Stressed Out" and later "the Heathens" which is the soundtrack to the film "Suicide Squad" .

My favorite song 21p is a "Goner".

I'm a goner

Somebody catch my breath

I'm a goner

Somebody catch my breath

I wanna be known by you

I wanna be known by you.

Though I'm weak

And beaten down

I'll slip away into this sound

The ghost of you is close to me

I'm inside out

You're underneath

I've got two faces

Blurry's the one I'm not

I've got two faces

Blurry's the one I'm not

I need your help to take him
out

I need your help to take him
out

Don't let me be gone

Don't let me be gone

Don't let me be gone

Don't let me be gone

DON'T LET ME BE

DON'T LET ME BE

OHH, YEAH

I'm a goner

Somebody catch my breath

I'm a goner

Somebody catch my breath

I wanna be known by you

I wanna be known by you

A photograph of a musician performing on stage. The musician in the foreground is sitting on a metal grate, wearing a black t-shirt, camouflage pants, and a black beanie. He is looking to the right. In the background, another musician is standing and playing an acoustic guitar, wearing a grey beanie and a dark jacket. The stage is lit with blue and purple lights, and there are various pieces of equipment like microphones and amplifiers on the floor.
