

Egypt

I consider it a real crime to go to Egypt and not see the Giza pyramid complex and the statue of the Great Sphinx.

There are the temples of Pharaoh Ramses II, built in the 13th century BC. In honor of the gods of the king and his wife Nefertiti.

It is the only intact tomb found in the Valley of Kings ,near Thebes.

A city located on the site of the ancient capital of Thebes.

This is the most famous resort in Egypt , which impresses with its white sand ,clear water and variety of entertainment for tourists.
