It has roots in traditional folk music) is a blend of popular musical forms originally found in the Southern United States and the Appalachian Mountains. It has roots in traditional folk music, Celtic music) is a blend of popular musical forms originally found in the Southern United States and the Appalachian Mountains. It has roots in traditional folk music, Celtic

(rock opera)

A **rock opera** is a musical work, usually in the genre of rock, that presents a storyline told over multiple parts, songs or sections. A rock opera differs from a conventional rock album, which usually includes songs that are not unified by a common theme or narrative. A rock opera tells a coherent story, though details are often vague.

musical

The musical, in all its various forms, is very much a living art form.

glam rock

Glam rock emerged out of the English Psychedelic and art rock scene of the late 1960s, defined by artists such as T. Rex, Roxy Music, Steve Harley & Cockney Rebel, and David Bowie, also with origins in the theatrics of groups such as The Cockettes, performers such as Lindsay Kemp,

Ethnic music

Ethnic music possesses a strong **historical character**. Its music form and lyric content can be traced back to earlier forms or origins. For instance, the ethnic music of Greece uses the same music forms as Greek religious music (Byzantine chant), both based on the music forms (modes) of ancient Greece.

new wave

Punk rock attracted devotees from the art and collegiate world and soon bands sporting a more literate, arty approach, such as Talking Heads Punk rock attracted devotees from the art and collegiate world and soon bands sporting a more literate, arty approach, such as Talking Heads, and Devo Punk rock attracted devotees from the art and collegiate world and soon bands sporting a more literate, arty approach, such as Talking Heads, and Devo began to infiltrate the punk scene; in some quarters the description New Wave began to be used to differentiate these

heavy metal

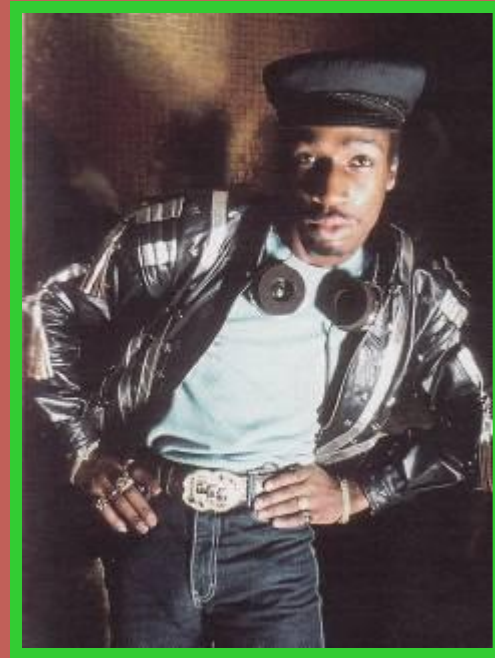

The term "heavy metal" was first used in a musical sense in the '60s song "Born To Be Wild" by Steppenwolf when they referred to "heavy metal thunder."

pop music

Pop music is modern music of an uncomplicated character, played mainly on electric guitars and drums often with a singer. There are many styles of pop music such as rap, rave and others

The history of rap music or hip hop music begins in the early '70s. Most music buffs know hip hop music history has a rich past with its roots in several related music styles. If you look at history of rap music, it clearly shows its origins and influences in the popular African American and Latino street culture of New York City and surrounding areas.
