My Favourite Book

"Home Night", published in 2000, is one of my favourite novels. It was written by remarkable authors, Filis Kristina and her daughter Kristin Kast. They are outstanding, creative, imaginative writers, who use their imagination to write "Home Night".

It is set in a city school. This story is about sixteen-year-old Zoey Redbird. Zoey's father died and her mother married John. He did not like Zoey. Only one person in her family liked her. It was her grandmother. She helped Zoey.

When Zoi studied in nine classes she was made a vampire. She moved to Home Night, a school for vampires. Stivi Rey, Dem`en, Shoni, Erin were her new friends. They endured many dangerous and sad events together. But book has a happy end.

"Home Night" is an outstanding teenager`s fantasy story. Once I picked up this book, I could not put it down. I would like to read this book again and again. I would recommend this book to everyone who has a very good imagination.

Books in our life

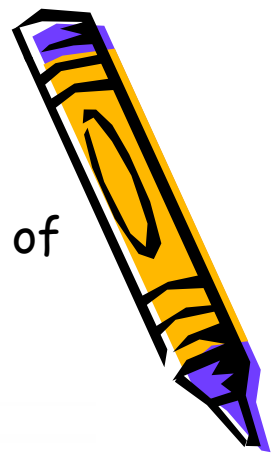

Books are one of the greatest wonders in the world They follow. us during all our life. When you read a book you enrich your mind with knowledge.

This knowledge will help you in different subjects. People who read many books are very clever. If you read many books you will get a lot of information on many subjects.

Some of modern adolescents don't like reading books. They prefer watching TV, playing computer games and other kinds of entertainment.

I don't think it's very good. Books are not only entertainment. They help us in self-education, and also to imagine the future, to look into the past.

Every book gives birth to special inner world different sense
and
experience . I like to Imagine main characters of my
favourite
books, their clothes, and faces. It is difficult for me to leave
the
