

UNIVERSITY OF PENNSYLVANIA

- The University of Pennsylvania (Penn or UPenn) is a private Ivy League research university in Philadelphia, Pennsylvania. Benjamin Franklin, Penn's founder and first president, advocated an educational program that trained leaders in commerce, government, and public service, similar to a modern liberal arts curriculum.

Penn

UNIVERSITY *of* PENNSYLVANIA

The university has four undergraduate schools which provide a combined 99 undergraduate majors in the humanities, natural sciences, social sciences, business, and engineering, as well twelve graduate and professional schools. It also provides the option to pursue specialized dual degree programs.

University of Pennsylvania graduate and professional schools

- ▣ School of Medicine
- ▣ School of Engineering and Applied Science
