Youth is a period of life which is of utmost importance in the life of man.

Choosing a career

Getting education

Independence and money

Unemployment of young people

Generation gap

The problems of friendship and loneliness

The problem of the first love

Probably the most vital problem is choosing a career, which is really difficult.

Perhaps one of the most fundamental problems faced by young people today is unemployment.

An area which poses a problem for young people and their parents is love and dating.

The direction of crime, drugs, vandalism, drinking etc.

The problem of friendship

Computer addiction

We must remember that the young people are the leaders of tomorrow!
