

# Goldilocks and The Three Bears

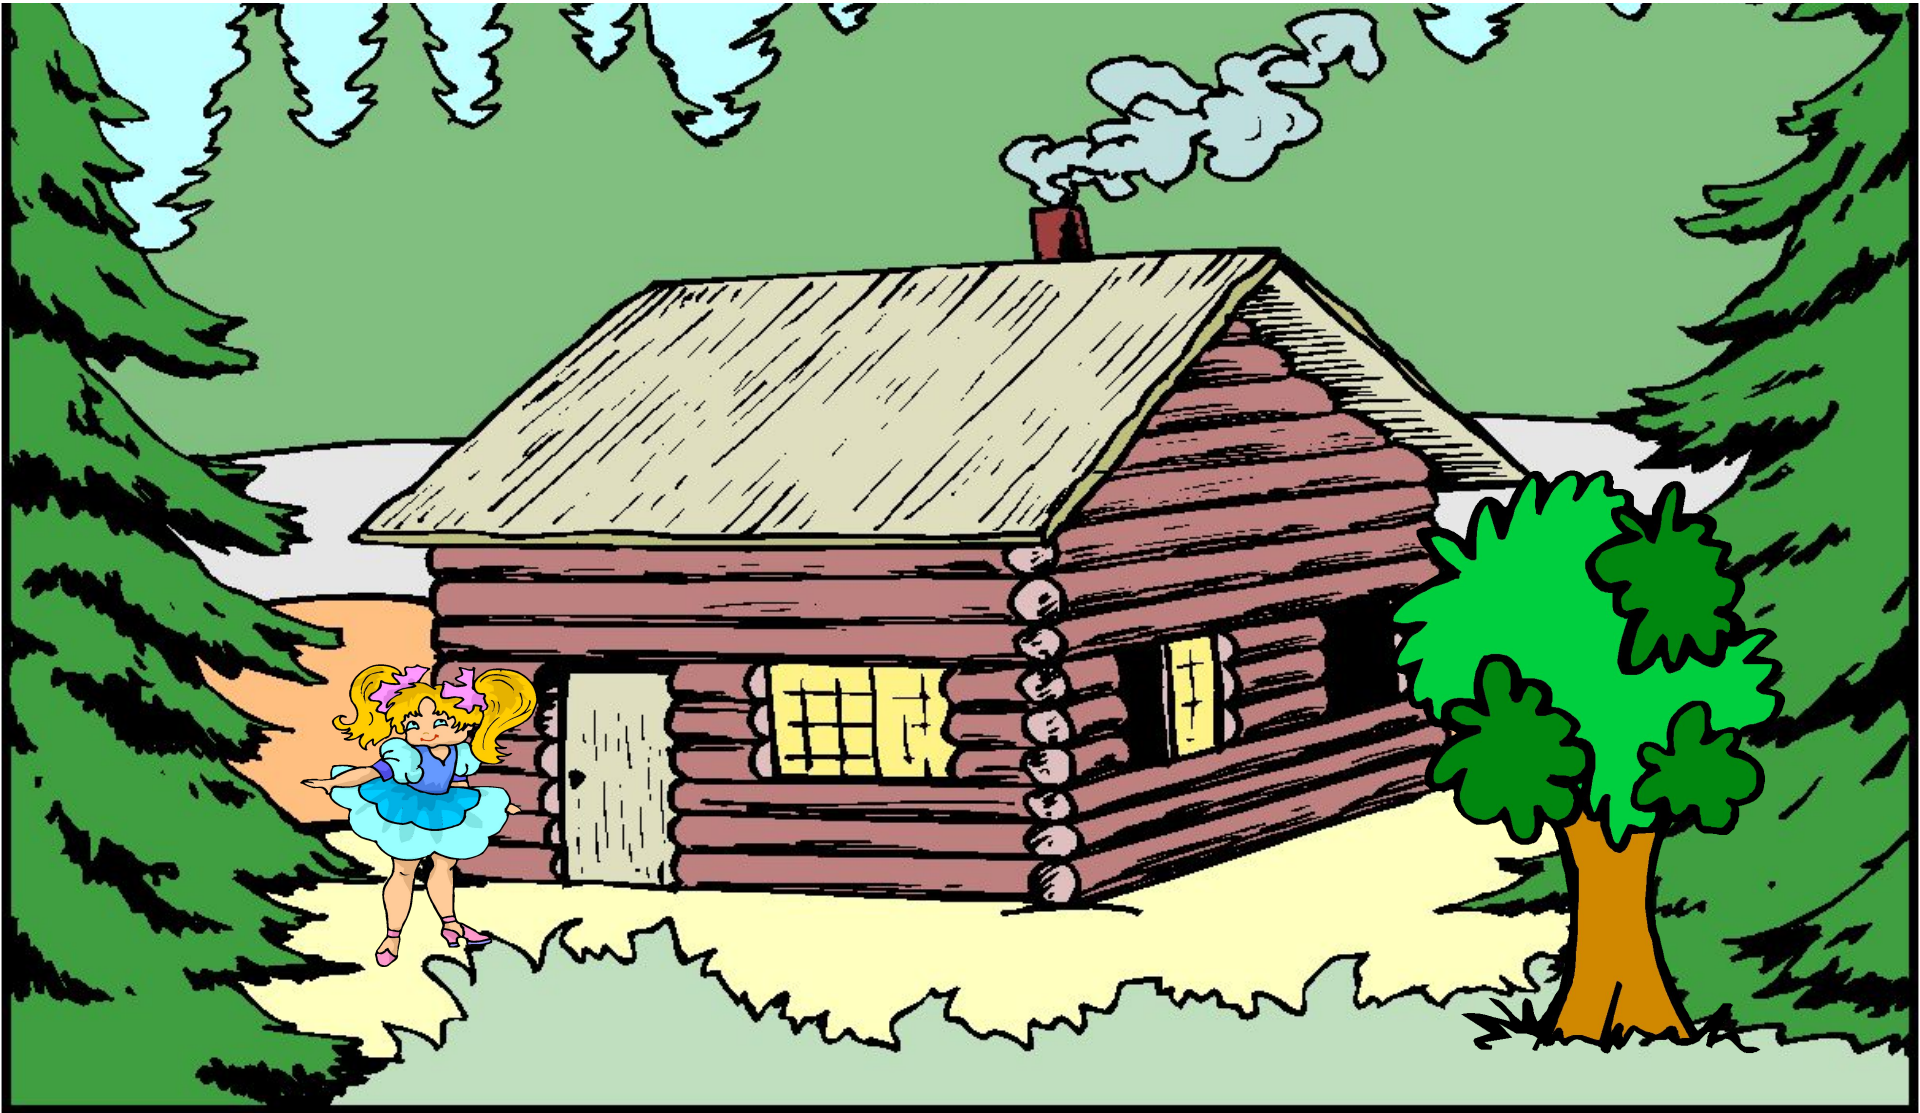

The Bears lived in the woods.

The Bears went for a walk  
one day.

Goldilocks found a cottage in the woods. She went inside.

Goldilocks found some bowls of porridge.

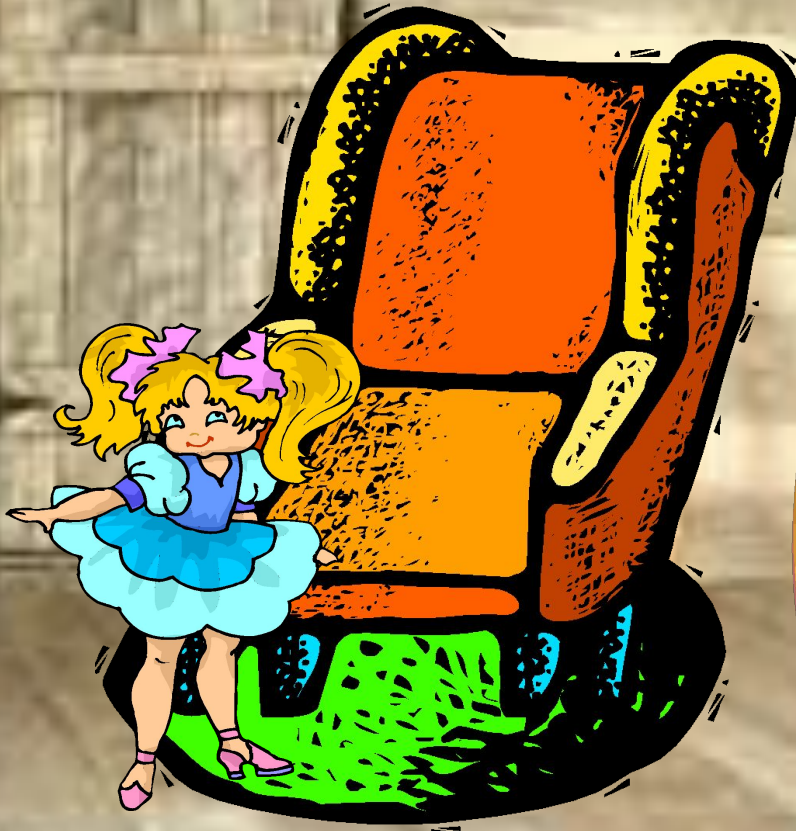

Goldilocks tried Pappa Bear's porridge.

Goldilocks tried Mamma Bear's porridge.

But Baby Bear's porridge was the best!

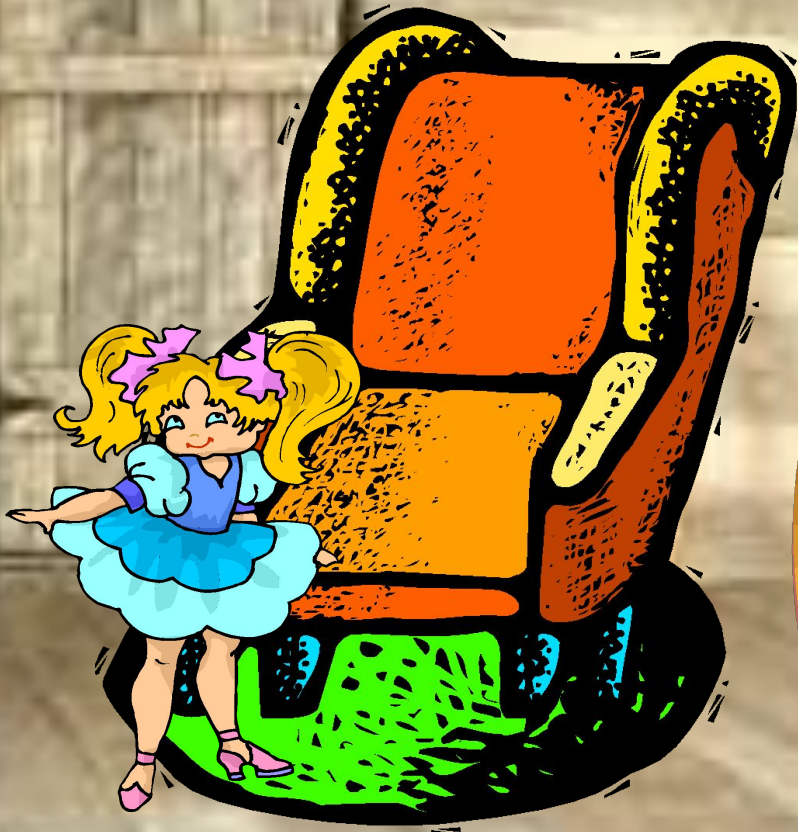

Goldilocks found some chairs.

Goldilocks tried Pappa Bear's chair.

Goldilocks tried Mamma Bear's chair.

But Baby Bear's chair was the best!

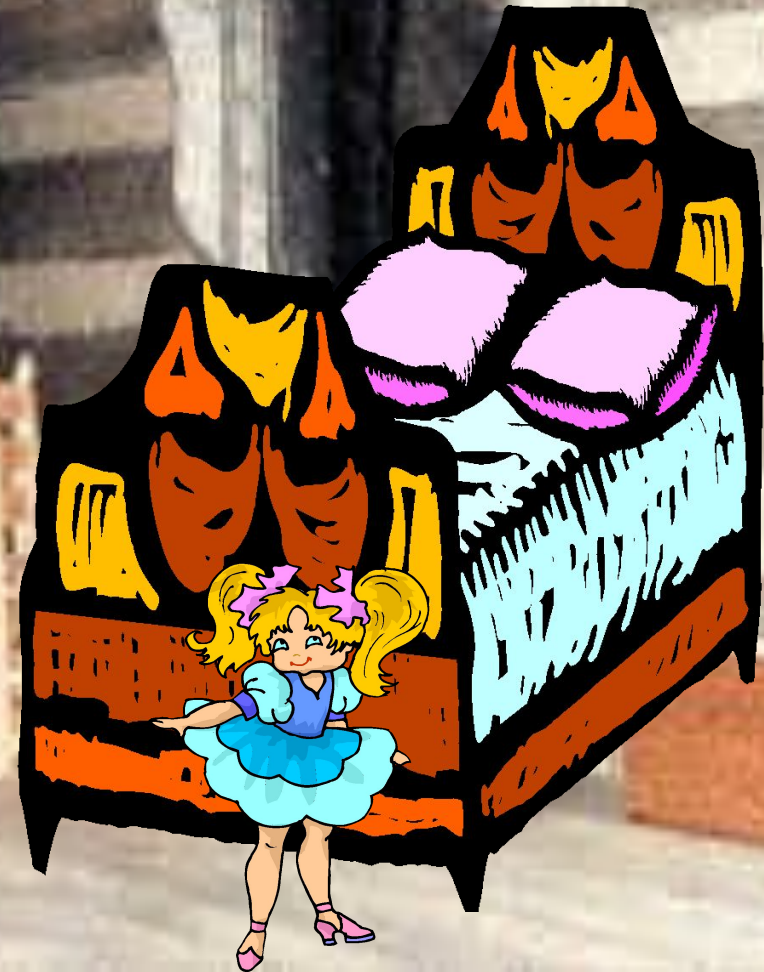

Then Baby  
Bear's chair  
broke!

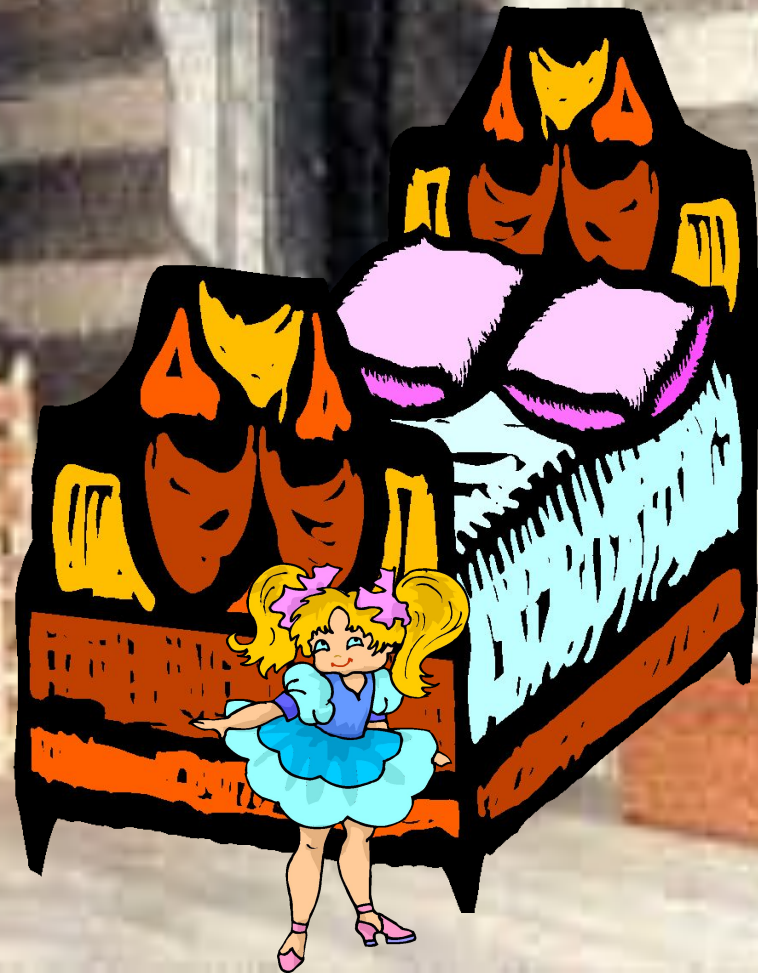

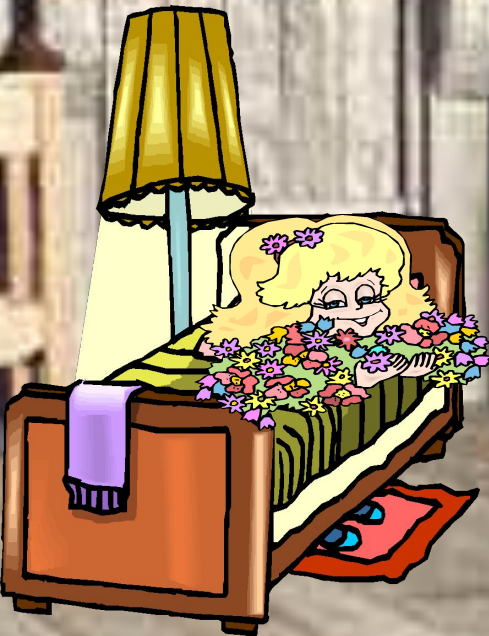

Goldilocks found some beds.

Goldilocks tried Pappa Bear's bed.

Goldilocks tried Mamma Bear's bed.

But Baby Bear's bed was the best!

Then the bears came home.

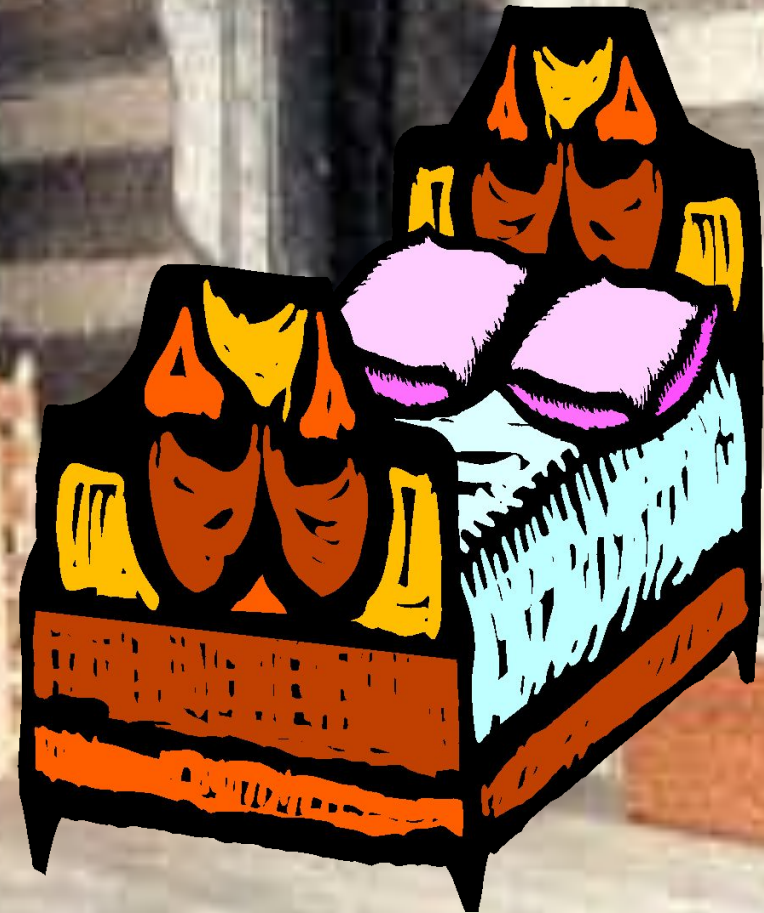

Someone had been eating  
the porridge.

Someone had been sitting in  
the chairs.

Someone had been sleeping in the beds. And was still there!

Goldilocks woke up and ran out the house, and ran all the way home,

Goldilocks went home and fed  
her teddy bear!
