

# PRINCETON UNIVERSITY

# HISTORY

- Princeton University - private university, one of the oldest and most famous universities in the U.S.. is one of the most prestigious universities in the country. Located in Princeton, New Jersey. Founded in 1746. Consists of Princeton college, graduate, and research centers. The University consists of the Woodrow Wilson School of Public and International Affairs, leading regional Mccarter Theatre, museum of art and the museum of natural history, and a library named the Harvey S. Firestone, one of the largest libraries in the world. Price at Princeton University reaches 52,670 dollars a year.

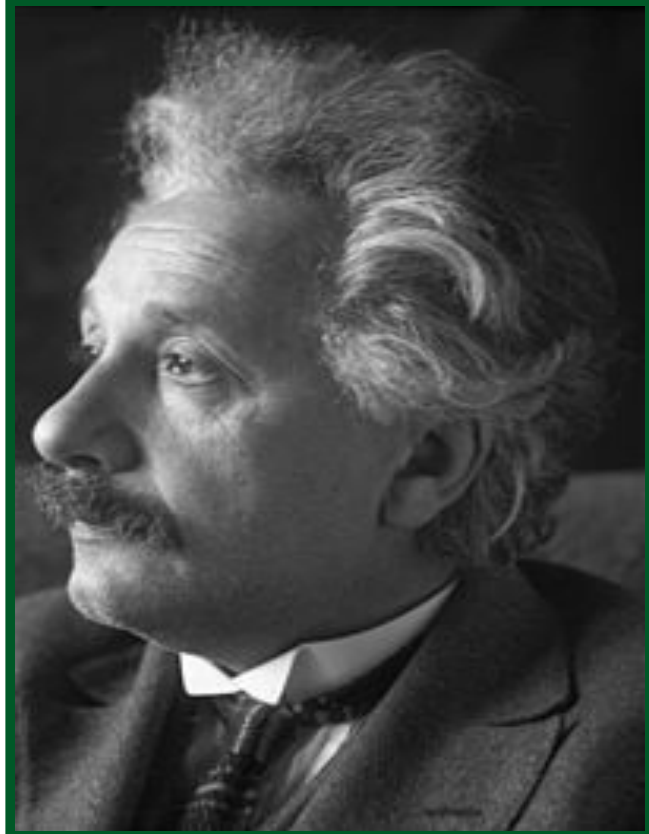

# STUDENTS

- Degree at Princeton - a unique combination of art and science – oriented research. At Princeton, each student can get education. Princeton students can obtain a Bachelor of Arts or Bachelor of Science in Engineering. Despite the fact that each department has its own requirements, all students must listen to a certain number of courses that are outside of their specialization and can achieve universal knowledge and skills. Thus, all students are required to listen to the minimum number of courses in the areas of Art and Literature, history, sociology, epistemology and cognition, ethics, morality, science, science and technology. Students also need to learn a foreign language for three or four semesters and listen to a seminar on creative writing.
