- \_\_ields **yields**
- Past\_\_re **pasture**
- Barle\_\_ **barley**
- W\_\_at **wheat**
- Sh\_\_p **Sheep**
- Ca\_\_le **cattle**
- Pi\_\_ **Pig**
- M\_\_tton **mutton**
- Live\_\_ock **Livestock**
- S\_\_rce **source**

# Follow the tenses:

In the past English industrial

prosperity rested on a few important products, such as textiles, coal and heavy machinery.

Now the U.K. has a great variety of industries

heavy and light industry, chemical, aircraft, electrical, automobile and many other industries.

Heavy engineering and

other traditional industries have experienced a certain decline.

Newcastle is famous for coal industry

the county of Lancashire for its textile industry.

The Midlands are famous for

the production of machinery, coal, motor cars and chemicals

Leeds is a centre of clothing industry

producing woolen articles.

Glasgow is a major port on the River Clyde

where shipbuilding industry is developed.

Birmingham is an iron

and steel centre.

Wheat, barley, oats and potatoes

are the most important crops grown.

Sheep is a source of both wool

for textile industry and mutton for food industry

# Compare the tenses:

Sheep is a source of both wool for textile industry and mutton for food industry.
