

MUSIC IDIOMS 3

(to) pull out all the stops

To do everything you possibly can to make something successful

(a) whistle-stop tour

To visit a number of places quickly, not stopping for long

to dance to somebody's tune

To do what somebody wants you to do

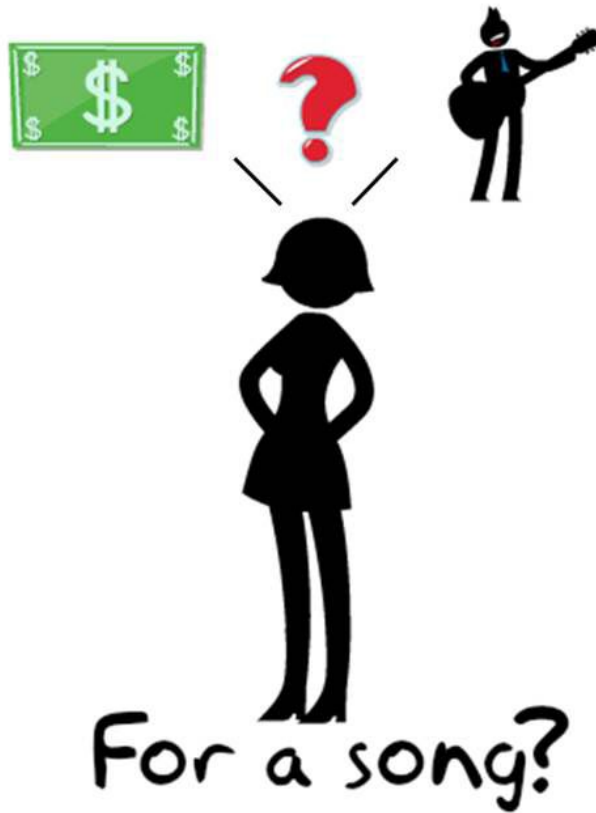

to whistle in the dark

Try to show that you are brave when you are afraid, or that you know something when in fact you don't

(to) ring a bell

Something that sounds familiar

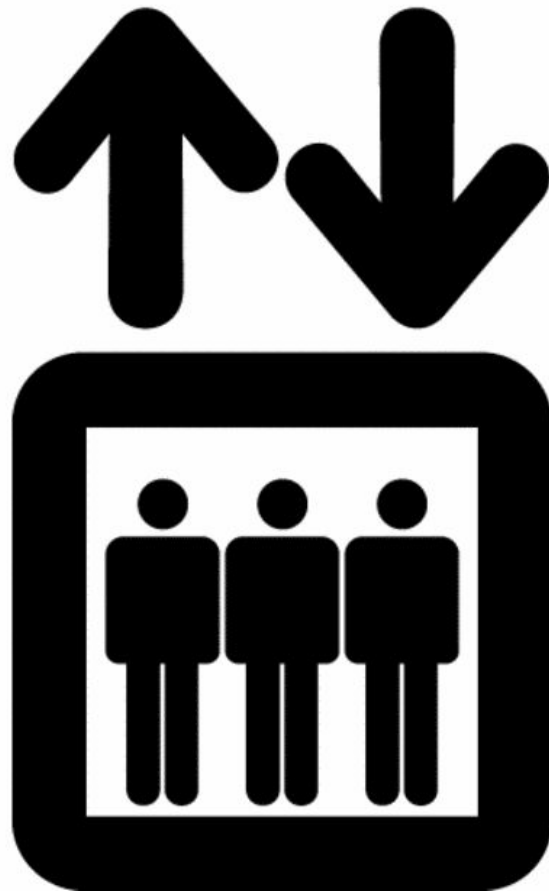

for a song

To buy or sell something for a very cheap price

music to my ears

Very pleasing information, excellent news

elevator music

Pleasant but boring music that is played in public places

(to) call the tune

To make important decisions/control a situation/be in charge

(to) play (something) by ear

To decide what to do according to the way something develops, without making exact plans

Thank you!
