

Mysteries of dreams

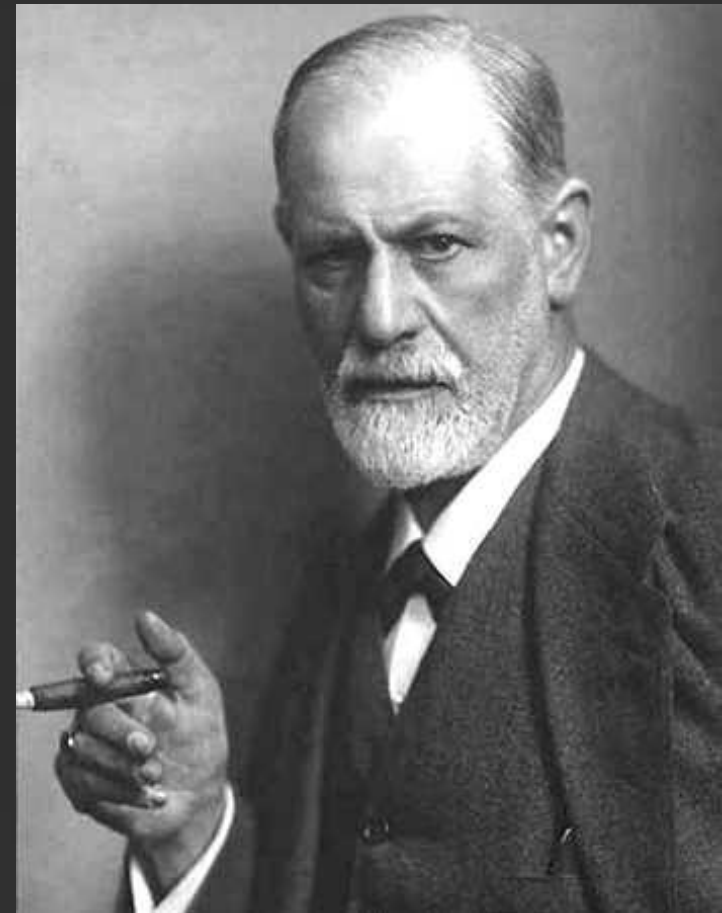

Author: Sofia Yevlaninkova

Second course

Psychology faculty

Dreams are the «royal» road to the unconscious

**Dreams are caused
by disturbing wishes**

The unacceptable thoughts are disguised as symbolic elements

Freud vs. Jung Dream Theories

Freud

Jung

View of Unconscious

- Dangerous
- Personal unconscious
- Negative id drives of sex/aggression

- Potentially dangerous force of nature
- Personal & Collective unconscious
- Bright shadow

Function of dream

- Wish fulfillment

- Compensation

Analytic tool

- Free association

- Amplification

Incorporates minor, unresolved event from earlier in the day—a piece of “unfinished business”

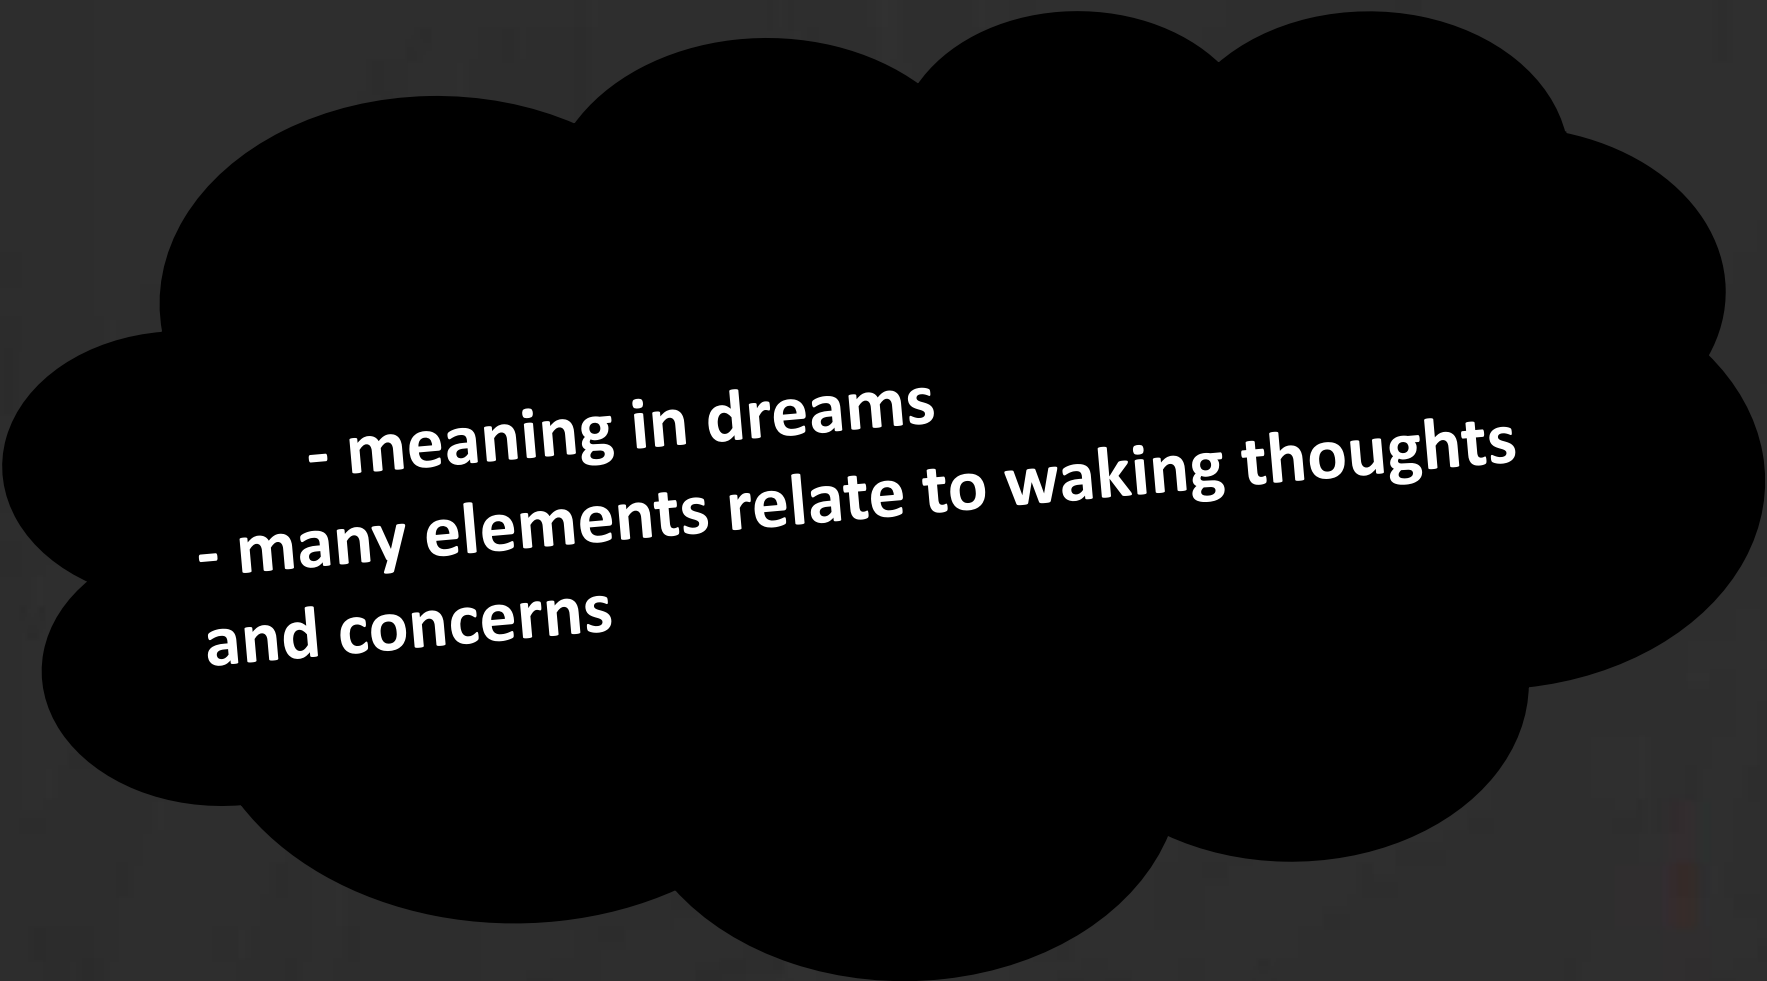

-problem-solving
function

- suggest solutions to
emotional problems

- provide a hint of a
solution to such
problems

- 
- meaning in dreams
 - many elements relate to waking thoughts and concerns
