**Some people live
in countries.
There are lots of
trees and flowers
in the fields.
There are many
animals in the
.countries**

There are *barns*, *houses with fences* in a country. There are *ponds* or lakes for fishing and .swimming

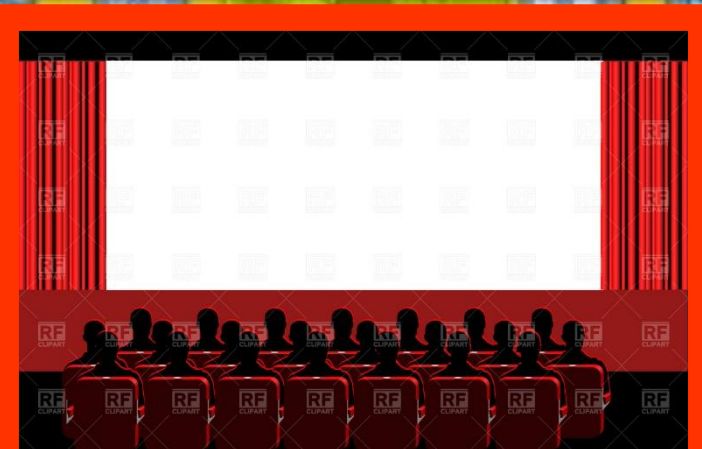

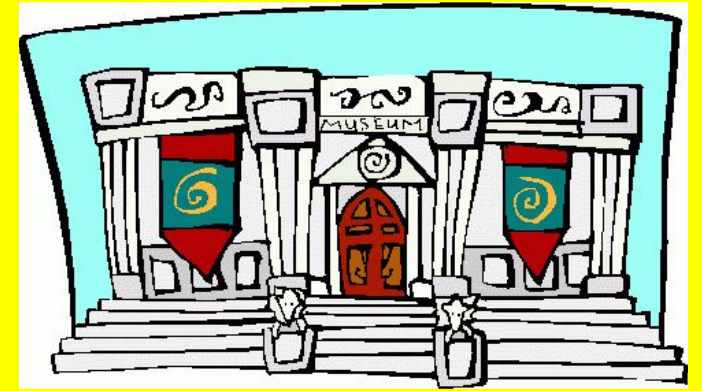

pond

Some people live in cities. There are many cars on the streets. There are many tall buildings in the cities.

There are lots of interesting stores and restaurants in a city. There are wonderful parks, *museums, libraries,* and *movie theaters* .in the cities

There is quite and peace in the country. People feed their animals like chickens, cows, and goats

A vibrant, cartoon-style illustration of a city street. In the background, several tall apartment buildings with colorful facades (red, yellow, orange) and tiled roofs are visible. The buildings have multiple windows, balconies, and chimneys. In the foreground, a busy street scene unfolds with a yellow van, a red truck with a white cab, and a yellow car. A bicycle is parked on the sidewalk. Street lamps and utility poles are also present. The overall atmosphere is one of a bustling, lively urban environment.

**There is noise
and
excitement in
the city.
