

HELLO!
MY DEAR STUDENTS

I will play,
And he will run.
They will have
A lot of fun.

Recycling materials and containers

Aluminium Glass Cardboard Paper Metal Plastic

- 1. What is the can made of?**
- 2. What is the tin made of?**
- 3. What is the box made of?**
- 4. What is the bag made of?**
- 5. What is the jar made of?**
- 6. What is the bottle made of?**

Your recycling box

Please put these things in your green recycling box:

Recycle **aluminium** cans here and **glass** jars.

Your recycling box

Please put **cardboard** boxes and **paper** bags in the brown box. We will collect this on Mondays.

Your recycling box

Don't put **plastic** bottles or cartons in the recycling boxes. You should take these to your local recycling centre. Next year, we will recycle **metal** tins.

The Future Simple Tense

(Будущее простое время)

The Future Simple Tense употребляется для обозначения какого-либо действия в будущем.

Cars of the future

Listen to the TV programme about cars of the future. Which one of the designs in the pictures don't they talk about?

Your homework

Make a project

“A second life of plastic bottles”
