

Hard Work

THE DEFINITION OF HARD WORKING IS SOMETHING OR SOMEONE THAT IS DILIGENT IN LABORING AND THAT PUTS EFFORT INTO DOING AND COMPLETING TASKS.

HARDWORKING

Hard work is the most important key to success.

The achievements without hard work are impossible.

An idle person can never gain anything if they sit and wait for the better opportunity to come.

The person who is working hard is able to gain the success and happiness in life. Nothing is easy to be achieved in without doing any hard work.

Hard work is more important than smart work

- YES
- Experience is the key
- Hard work is the first step towards smart work. Through hard work we gain experience; it helps us discover many new things. This experience enables us to think smartly to solve a critical problem and achieve success.

The only place success comes
before work is in the dictionary.

- Vince Lombardi

Work is the key to success, and hard work can help you accomplish anything.
