

A good beginning makes a  
good ending.

My dear friends!  
Nice to see you here!  
Many thanks for your  
coming to the  
lesson!  
I hope you'll try to do  
your best!

Let's start!

Animals!

# Let's talk about them!

Look at the pictures and answer the questions.

What is the name of this animal?

Where does it live?

What does it eat?

Today we are going to read an  
article from a newspaper.

The article is about a German family who has a pet eel. Think about these questions.

- a. Where does the family keep the eel?
- b. What do you think the family feed the eel?
- c. Do you think an eel would be a good pet?

So, what are we going to  
do at our today's lesson?

*We are going to...*

We are going to learn  
to discuss the theme
