

Saint Petersburg Mining University

The Saint Petersburg Mining University is Russia's oldest technical university, and one of the oldest technical colleges in Europe

It was founded on October 21, 1773, by Empress Catherine the Great.

Mining Museum

The Mining Museum is housed in the building of the Mining University. It is an integral part of the University, and occupies its very best historical ceremonial halls.

There are more than 230,000 exhibits, collected from all over the world (more than 80 countries).

Uniform

The University has his own uniform for all staff and students.

Why I chose this university ?

1. History
2. The quality of teaching
3. Prestige
4. Sport and health
5. Intellectual development
