

Hello, dear students!

Welcome

Check if you have everything ready, nobody is disturbing you, your notes are ready

These are some facts about your teacher Ania.
Can you arrange them in the right order?

- * I went to London to study English at an international camp twice.
- * I was born in Zhytomyr (long time ago).
- * I started working as a teacher at My English School.
- * I got a degree in English Philology.
- * I was a creative director of Lviv Handmade Chocolate shop in Zhytomyr.
- I got the chance to teach the best students of all
- I got an international certificate in teaching English as a second language (TKT)

What about you? Now you try it!
In the chatbox write random info about you (at least 3 facts) and others will try to arrange it!

Online learning

- 1.Do you have a lot of experience with studying online?
- 2. What are the pluses of studying online?
- 3. What are the cons (minuses) ?

Before we start the book

Let's observe some points
about online learning -

1. vocabulary you should
know

2. procedures you should
understand

3. How to make your learning
online most effective

Online vocabulary

Here are some things you may need to do before your online lesson. Match the beginning and end of these phrases.

- | | |
|---|-------------------------------|
| 1. <u>s</u> chedule/host/invite someone to/join | a. a <u>m</u> eeting |
| 2. click on/ <u>f</u> ollow | b. a <u>w</u> ebsite |
| 3. <u>e</u> nter | c. the code/ <u>p</u> assword |
| 4. sign up to/log on to | d. the link |
| 5. set up | e. your <u>c</u> amera |
| 6. put on | f. your <u>h</u> eadset |

During the lesson

While the lesson is going on, you may use some of these features. Read the meaning of each term and then use the letters in brackets to make the right word.

1. a (gopur) _____ chat: a written conversation that everyone in the class can join in
2. a virtual (wobadtheir) _____ : a place where the teacher can write information for the class to see
3. a flashcard (apanpolitic) _____ : a learning resource that tests you on vocabulary
4. an (oleinn) _____ quiz: a set of questions that you answer on the computer

You or the teacher may also need to do these actions during the lesson. Match each action with the reason for doing it:

- | | |
|---|--|
| 1. share your screen | a. ask someone to fix a problem with their headset or camera |
| 2. post a <u>comment</u> | b. fix a more serious technical problem |
| 3. put someone on mute | c. say something in writing |
| 4. check your <u>audio/video settings</u> | d. show the other person what you can see on your computer |
| 5. <u>disconnect</u> and call back | e. stop someone from speaking for a little while |

After the lesson

You might have homework to do after your lesson. Put these words into the sentences below to make instructions for homework. One word is extra.

answers
