this is a slide title

- X Here you have a list of items
- X And some text
- But remember not to overload your slides with content

Your audience will listen to you or read the content, but won't do both.

you can also split your content

White

Is the color of milk and fresh snow, the color produced by the combination of all the colors of the visible spectrum.

Black

Is the color of coal, ebony, and of outer space. It is the darkest color, the result of the absence of or complete absorption of light.

You don't need to keep this slide in your presentation. It's only here to serve you as a design guide if you need to create new slides or download the fonts to edit the presentation in PowerPoint®

SlidesCarnival icons are editable shapes.

This means that you can:

- Resize them without losing quality.
- Change fill color and opacity.

Isn't that nice?:)

Examples:

Now you can use any emoji as an icon!

And of course it resizes without losing quality and you can change the color.
