A colorful illustration of a spring landscape. On the left, a large tree with thick grey bark and vibrant pink blossoms stands on a green grassy bank. A small grey speaker icon with sound waves is positioned near its base. In the center, a blue butterfly with yellow and red markings on its wings is shown in flight. To the right, three tall, dark green conical trees stand behind a small patch of ground with yellow and red flowers. In the foreground, a blue pond contains a single pink lotus flower on a green lily pad. The background is a clear, light blue sky.
