Samara

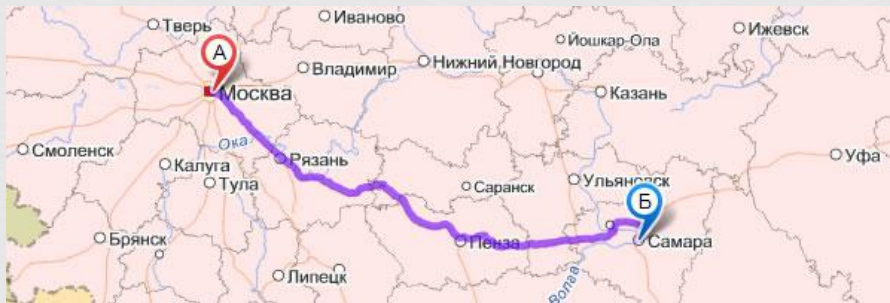

- Our city is very big. Its name is Samara. It is a very old place.

Samara

- Samara is situated not far from Moscow near the Volga River.

Samara

- Our city is famous for its factories and theatres. We are the first builders of the rockets.

Samara

- The streets in our city are wide.

Samara

- There are shops, banks, cinemas, restaurants in our city. We have got a railway station too. It is not far from our school.

Samara

- There are museums in Samara.

Samara

- There are many forests and mountains around my city.

- We know many cities are more important than Samara but not for us. We can say: “East or West, home is best”
- We think our city is very beautiful and we are proud of it.
