Part III. How does music help to learn foreign languages?

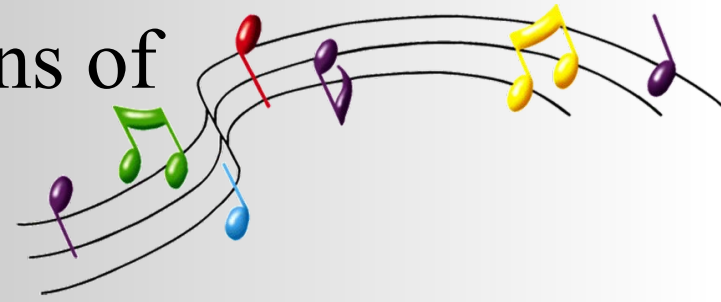

Part IV. Sociological survey

Conclusion

Sources

Purpose: Mark the music as a means of communication

Problems:

- To study the information resources for the above purpose;
- Conduct a survey of students 10 classes of School №37 in Tomsk;
- Answer the questions:
 - 1) Is music a means of communication?
 - 2) Can music help understand the culture of other countries and help in learning foreign languages?
 - 3) What do students think about it?

Introduction ♪

Ethnic music 🎵

Ethnic music is an important part of culture. It's a national treasure of any country.
