"Some day, and that day may never come, I'll call upon you to do a service for me.
But until that day, accept this just as a gift on my daughter's wedding day."

MY PERSONAL REVIEW

“One of my all time favorites and one of the most gripping novels that I have ever read. the Godfather is compelling in the intensity of the emotions of the events it depicts and the casual, neutral style of narration serves as an excellent foil. The complete lack of any moral verdict or judgmental coloring by the author leaves the reader free to draw his or her own conclusions about the characters and it is perhaps this reason that has most endeared it to the legions of it's readers”
