WELCOME TO NEW-YORK

“There are many apples on the tree, but only one Big Apple”. The old saying is very true when we talk about New-York - America’s Big Apple.

«На древе успеха много яблок, но если тебе удалось завоевать Нью-Йорк, тебе досталось большое яблоко».

The millions of immigrants who had to come to America by sea were welcomed by a very tall woman. Her right arm was holding a torch high in the air. The woman is still there looking out to the sea. She is the Statue of Liberty, one of the most famous symbols of America.
