

*Bahmut Industrial Technical
School of the State Higher
Educational Institution
"Donetsk National Technical
University".*

*Bahmut Industrial Technical School
holds documents for full-time and
part-time studies.*

*Students can be trained on a budget and
on a contract basis. Students receive
scholarships.*

On a budgetary basis, specialties are open:

- 1. "Branch machinery" ("Maintenance and repair of equipment of metallurgical enterprises") - training period - 3 years 10 months*
- 2. "Electric power engineering, electrical engineering and electromechanics" ("Installation and operation of electrical equipment of enterprises and civil structures") - training period - 3 years 10 months*
- 3. "Chemical technology and engineering" ("Production of refractory non-metallic and silicate materials and products") - training period - 3 years 6 months*

On a contract basis, a set for a specialty:

- 1. "Economy" ("Enterprise Economics") - the training period is 3 years;*
- 2. "Finance, banking and insurance" ("Finance and Credit") - the term of study is 3 years.*

On the correspondence department on the first three specialties the reception is held on a budgetary basis. The term of study is 2 years 8 months.

After graduating from the technical school, the students can continue their studies at the Donetsk National Technical University and other universities in the country without passing the USE, in the interview for the second and third courses.

Bakhmut Industrial Technical School DonNTU is a regional basic educational institution among the universities of the first equation of accreditation of the Bahmut region.

It has become traditional to hold student scientific and practical conferences of cyclic training with commissions of electrotechnical, mechanical, technological and social-economic disciplines.

At the regional level for the third year the conference "My first professional experience", organized by the teachers of electrical engineering disciplines, has been held.

A special feature of the technical school is a serious educational work. Students participate in traditional creative competitions "Miss BIT", "Knight's Tournament", "Star Duet" and sports days.
