

The background is a soft-focus illustration of a pond. In the center, a bright green frog with large eyes and a wide-open mouth is sitting on a large, dark green lily pad. To the left of the frog is a pink lotus flower with a yellow center. Three dragonflies with pink wings and grey bodies are flying around: one in the top left, one in the top right, and one in the bottom left near some reeds. The water is a light green color with some ripples.

О программе

Игра-тренажёр “Hungry frog” предназначена для учеников 4 класса, изучающих английский язык по УМК “Enjoy English” под ред. М. З. Биболетовой. Она станет хорошим помощником для закрепления лексики по темам «Погода» (cold, hot, snowy, cloudy, stormy, windy, sunny, rainy, warm), «Спорт» (dive, run, ski), «Мой дом, квартира, комната» (kitchen, bed, window, wall, door, armchair, carpet, shelf, desk, fire). В игре ученикам предлагается составить слова из букв. Для этого следует «кликнуть» мышкой на стрекозе с буквой, которая есть в названии картинки.

Может быть использована на уроке по повторению и закреплению изученного в 1 четверти, а также во внеурочное время.
