- **Bohemian Style**
- **Casual Style**
- **Sophisticated Style**

CHIC STYLE

It is a type of proclamation to make oneself look keen and striking. Whoever pursues this style makes a point to pick all around well-tailored stylish designs that are genuinely tasteful. Solid hues which are not luxurious, comes as a piece of the chic style fashion. To shop this style, you can visit the reputed [Online Fashion Shopping Sites in Europe](#) like Style fashion class and many more.

VINTAGE FASHION STYLE

In case you stay updated with the fashion trends, you must be aware of this old fashion style. As the name suggests, it is a blast from the past. From flapper dresses to pinup clothing, this vintage style look is the culmination of fashion from the '20s to '70s. It is the only trend that overcomes the taste of time.

A brown leather boot with black laces and a black sole is shown next to a pair of grey patterned trousers with red stitching. The items are displayed against a white background.

BOHEMIAN STYLE

Bohemian or "Boho-chic" style is a way of dressing that was popularized during the 1960s to 1970s. It is a culture on its own with a specific ideology and complicated history. The bohemian style uses extravagant and wild patterns on exotic textures. It can also be classified as inspiration from gypsy and hippie looks.

CASUAL STYLE

This type of style is the perfect blend of elegance and comfort. This comfortable and simple style has caught up well over time. This one is the most sought after fashion style as of now. None of the intriguing and intense things will be in the closet of a lady who pursues easygoing style.

SOPHISTICATED STYLE

Sophisticated style can be classified as a businesswoman minus the formal look. People who are passionate about this look, regularly search for forms that create an impression on the quality, cleaned way, and culture. The majority of them are the ones who are from higher status and likewise. The people who are in love with this look needs everything at the best quality.
