

CAREER AS A JEWELER

I always wanted a profession where I can create things. I got interested in fashion a while back. Apart from the clothes, I liked the unusual jewelry. A few reasons led me to make this choice, but the desire to do something beautiful and unusual played a big part in it.

It is possible to learn  
this profession in both  
art and technical  
universities, because it  
is not only a creative  
activity, but it includes  
technical knowledge

This profession  
is usually  
taught on  
Bachelor's  
degree  
program  
'Technology of  
material artistic  
processing'

This profession  
allows you to work as  
a freelancer. You  
can earn money  
making jewelry  
for people from all  
over the world.  
It's also one of the  
reasons I have  
chosen this  
profession.
