What is "hobby"?

Hobby is something that you like to do when you have spare time.

About hobby you can say:

I am fond of doing it !

I am interested in doing it!

I am keen on doing it!

I go mad on doing it!

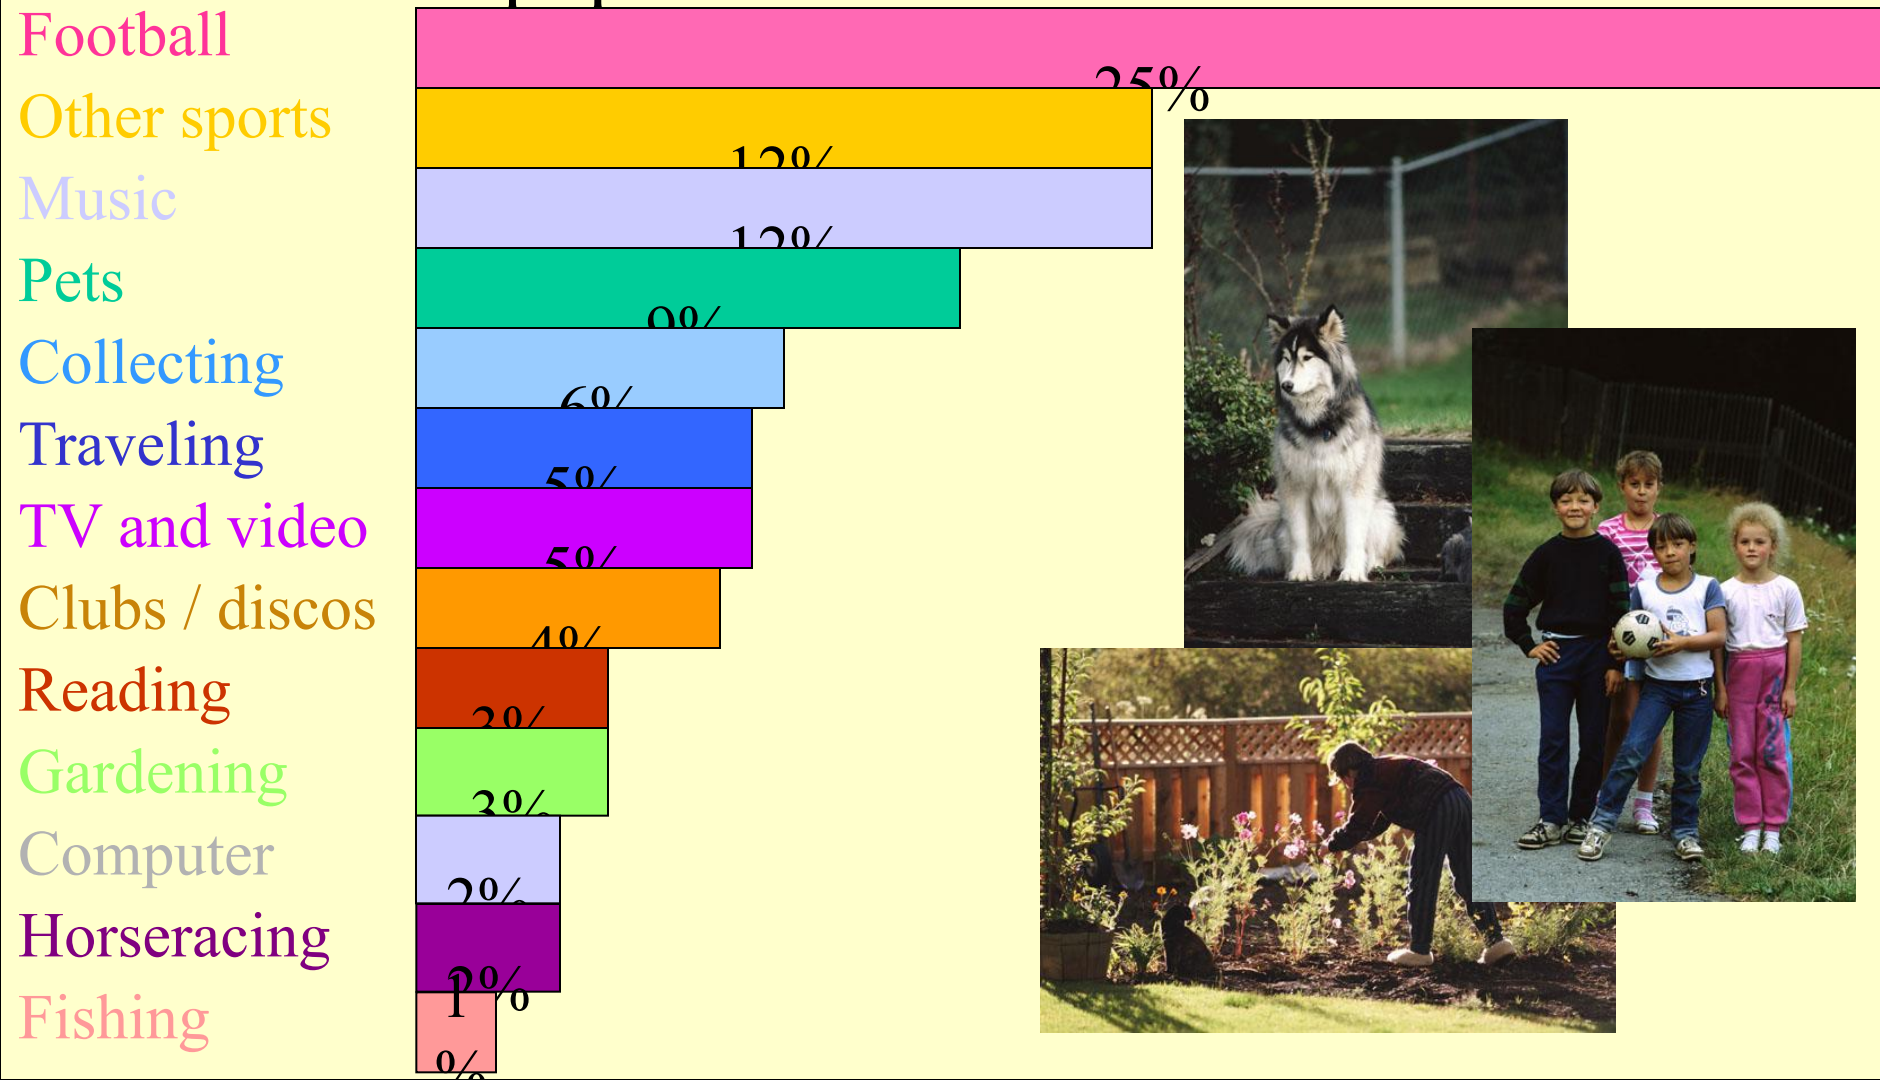

I have fun doing it !

I like doing it !

English children

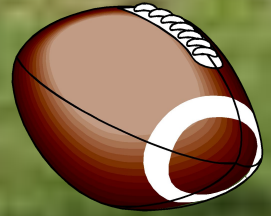

are fond of different things! Here are the most popular hobbies in Britain.

And here is the rating of the hobbies
in our school.

FOOTBALL

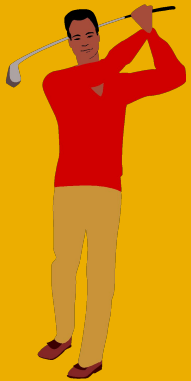

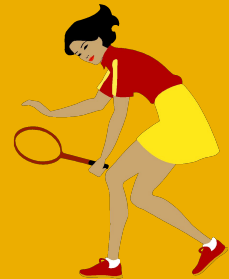

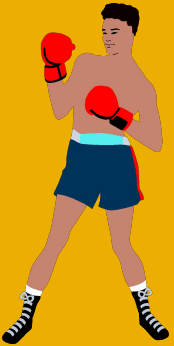

In Great Britain football is different from football in Russia. It is played with an elliptical ball. The players don't kick the ball with their feet – they hold it in hands and throw into the gates.

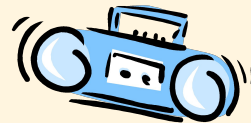

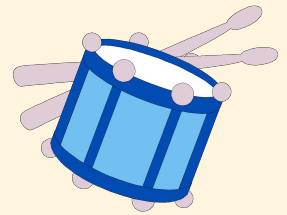

OTHER SPORTS

British students are fond of such sports as soccer, tennis, jogging, athletics, boxing, golf, cycling, basketball, baseball and others.

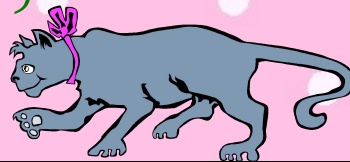

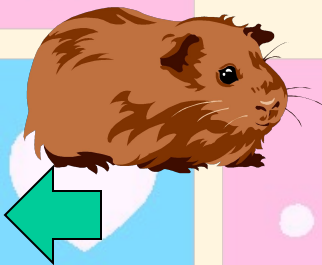

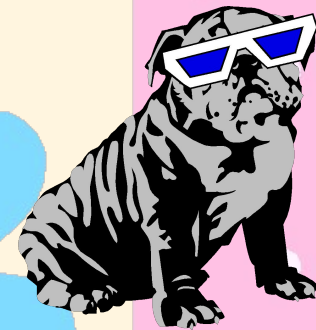

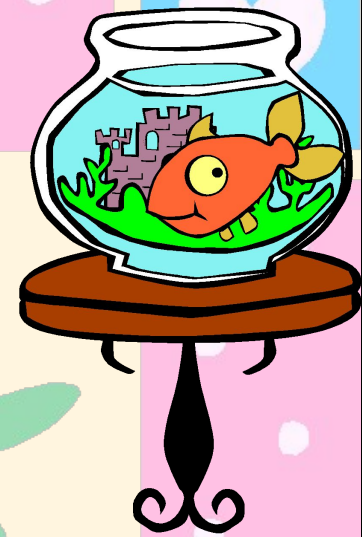

MUSIC

British students are fond of different styles of music: pop, R'n'B, classical, rock, rap and others. Many students learn to play musical instruments: guitar, piano, violin, etc.

PETS

Most of the British students are fond of domestic animals. They like to take care of them. They keep different animals as pets: cats, dogs, hamsters, guinea pigs, parrots, rabbits, canaries, fishes and others.

TRAVELLING

Many British students like to travel during their holidays. They like to see the interesting places not only in Britain but also in other countries of Europe. They can go there even on weekends.
