

# Seasons

# What are spring months?

December, January, February

March, April, May

June, July, August

# When does summer begin?

In September

In June

In January

# What's the weather like in winter?

It's sunny and hot.

It's cold and snowy.

It's rainy and warm.

# What do children do in summer?

make a snowman

sunbathe and swim

have a snowball fight

# What do you wear when it's cold?

a T-shirt and shorts

a sweater and a jacket

a dress and shoes

# WELL DONE!
