Sights of Las Vegas, which need to be visited

Bellagio(hotel and casino).

The five-stars hotel casino located in Las Vegas Strip Boulevard. Belongs to the company MGM Resorts International. The main place of interest is the musical fountain located before the hotel building. Borrows the 11th place in the list of the largest hotels of the world.

Aquarium Shark Reef

In the territory of Mandalay Bay hotel there is an aquarium of Shark reef in which more than 2 thousand animals live, here it is possible to see not only sharks, but also turtles, jellyfishes, piranhas, crocodiles and other water inhabitants. There is a glass corridor where also guests can watch animals through walls and a ceiling. And here it is possible to reserve service - diving with sharks (only for divers).

Stratosphere Las Vegas

The hotel casino located in Las-Vegas-Strip Boulevard. Belongs to the company American Casino & Entertainment Properties. Tower hotel-casino "Stratosphere" — the highest observation tower in the United States. In the upper part of the tower involved several high-altitude attractions, such as the extension beyond the upper tier of the carousel.

The Mob Museum

The idea of creating a National Museum of organized crime and law enforcement belongs to the former measures of Las Vegas Oscar Goodman. The idea of building such a Museum came to him in 2002. The budget of the project amounted to \$ 50 million, and 26 million was spent on the renovation of the former post office, which became the Museum building. Opening of the museum happened on February 14, 2012. In the museum the set of photos, texts and practical exhibits is provided. Here each visitor will be acquainted with history of organized crime, various methods of "conducting" business. Also there is an opportunity to sit on an electric chair and to do some shooting from the automatic machine.
