- ▶ How to order food.
- ▶ What to order.

I ate a ton of sugar.
It made me very sweet.
It also made me very round—
now I can't find my feet.

Peter, Peter, pizza-eater,
How I wish that you were neater.
Half the pizza's on your shirt.
Clean the mess, or no dessert.

When we are hungry,
where should we go to have a dinner?

Choosing a Restaurant

Most cities have hundreds of restaurants, so travelers have many options. **Fast food** restaurants are good for people who don't have a lot of time. These restaurants make your food very quickly and some even have **drive-through** service. A **family restaurant** usually has **table service**. Here the waitstaff takes your order and brings your food to you. A **steakhouse** is another type of restaurant. It offers many **cuts** of meat. Restaurants serve different types of **cuisines**. For example, Indian cuisine has a lot of **vegetarian** dishes. Before you choose a restaurant, look at a guide that contains **ratings**. A restaurant with better food and service receives more stars.

b) Read and mark the following statements as true (T) or false (F).

- 1 — Fast food restaurants offer food for people who don't eat meat.
- 2 — A restaurant with a high rating has good service and food.
- 3 — Steakhouses often have drive-through service.
