Books are one of the greatest in the world. They follow us during all our life. When you read a book you enrich your mind with knowledge. This knowledge will help you in different subjects. People who read many books are very clever. If you read many books you will get a lot of information on many subjects. Some of modern adolescents don't like reading books.

# Text

They prefer watching TV, playing computer games and other kinds of entertainment. I don't think it's very good. Books are not only entertainment.

They help us in self-education, and also to imagine the future, to look into the past. They help us in self-education, and also to imagine the future, to look into the past.

My favourite book is "The Adventures of Sherlock Holmes" by Sir Arthur Conan Doyle.

I first discovered these stories when I was about twelve and I've loved them ever since

# Text

When you read them you really feel like you've been carried back to nineteenth-century London. All the twentieth century detectives like Miss Marple and Inspector Morse seem really boring compared to Sherlock Holmes. That's where Conan Doyle, really makes you believe that Holmes is unique — a genius with amazing mental powers.
