

# Present Simple

The affirmative form of the verb coincides with the infinitive form of the notional verb with the particle «to» for all persons but the third person in the singular in this case the inflection «s» or «es» is added.

# Interrogative and negative sentences

- The interrogative and negative forms of the Present indefinite tense are built analytically with the help of the auxiliary verb (do\does) for the third person singular. And in this case the notional verb is used in the form of the infinitive.
