WHY FIRSTCOIN?

We primarily involve those communities, associations, groups and sharing economy startups in our project who can contribute to the long-term stability of Firstcoin through their openness and large numbers.

WHY HIRSTCORY @

SIMPLE & OUICK

There are no limitations, it works everywhere. You can send Firstopin just as easily as an e-mail, and it is almost just as fast. It does not matter what hidden part of the world you are in, you can send and receive Firstcoin in seconds. There are no banks to slow down your transactions, so they are completed almost immediately, even on the weekends.

0

SECURE

Firstcoin is based on the unique technology of Bitcoin Thanks to block chain technology you can track coin generation and transaction authenticity. The network checks and authenticates itself, so it cannot be circumvented. Firstoon provides strong abuse protection.

PRIVATE

Just like Bitcoin, Firstooin is unaffected by problematic banks, governments, countries, authorities, or governments. You can guickly and easily download a Firstcoin wellet. or register online without limitations or even entering personal information. Transactions are anonymous and personal information is not shared

LIMITED Firstcon simulates the value adding limitation of gold At most 110 million can be mined, so it cannot inflate like

real currency, which countries have a tendency to print. in large quantities

ra.

You can open or download a Firstcoin wallet free of charge.

There are no monthly account fees, there is no need for a bank card. Even the transactions are almost free.

TEAM & COMMUNITY

We primarily concentrate on expending the number of tinicon participating businesses. Desides programmers. a large part of our team includes internationally known marketing and networking specialists with considerable connections
