

11:00 A.M.

Can you  
find ...

an artist?

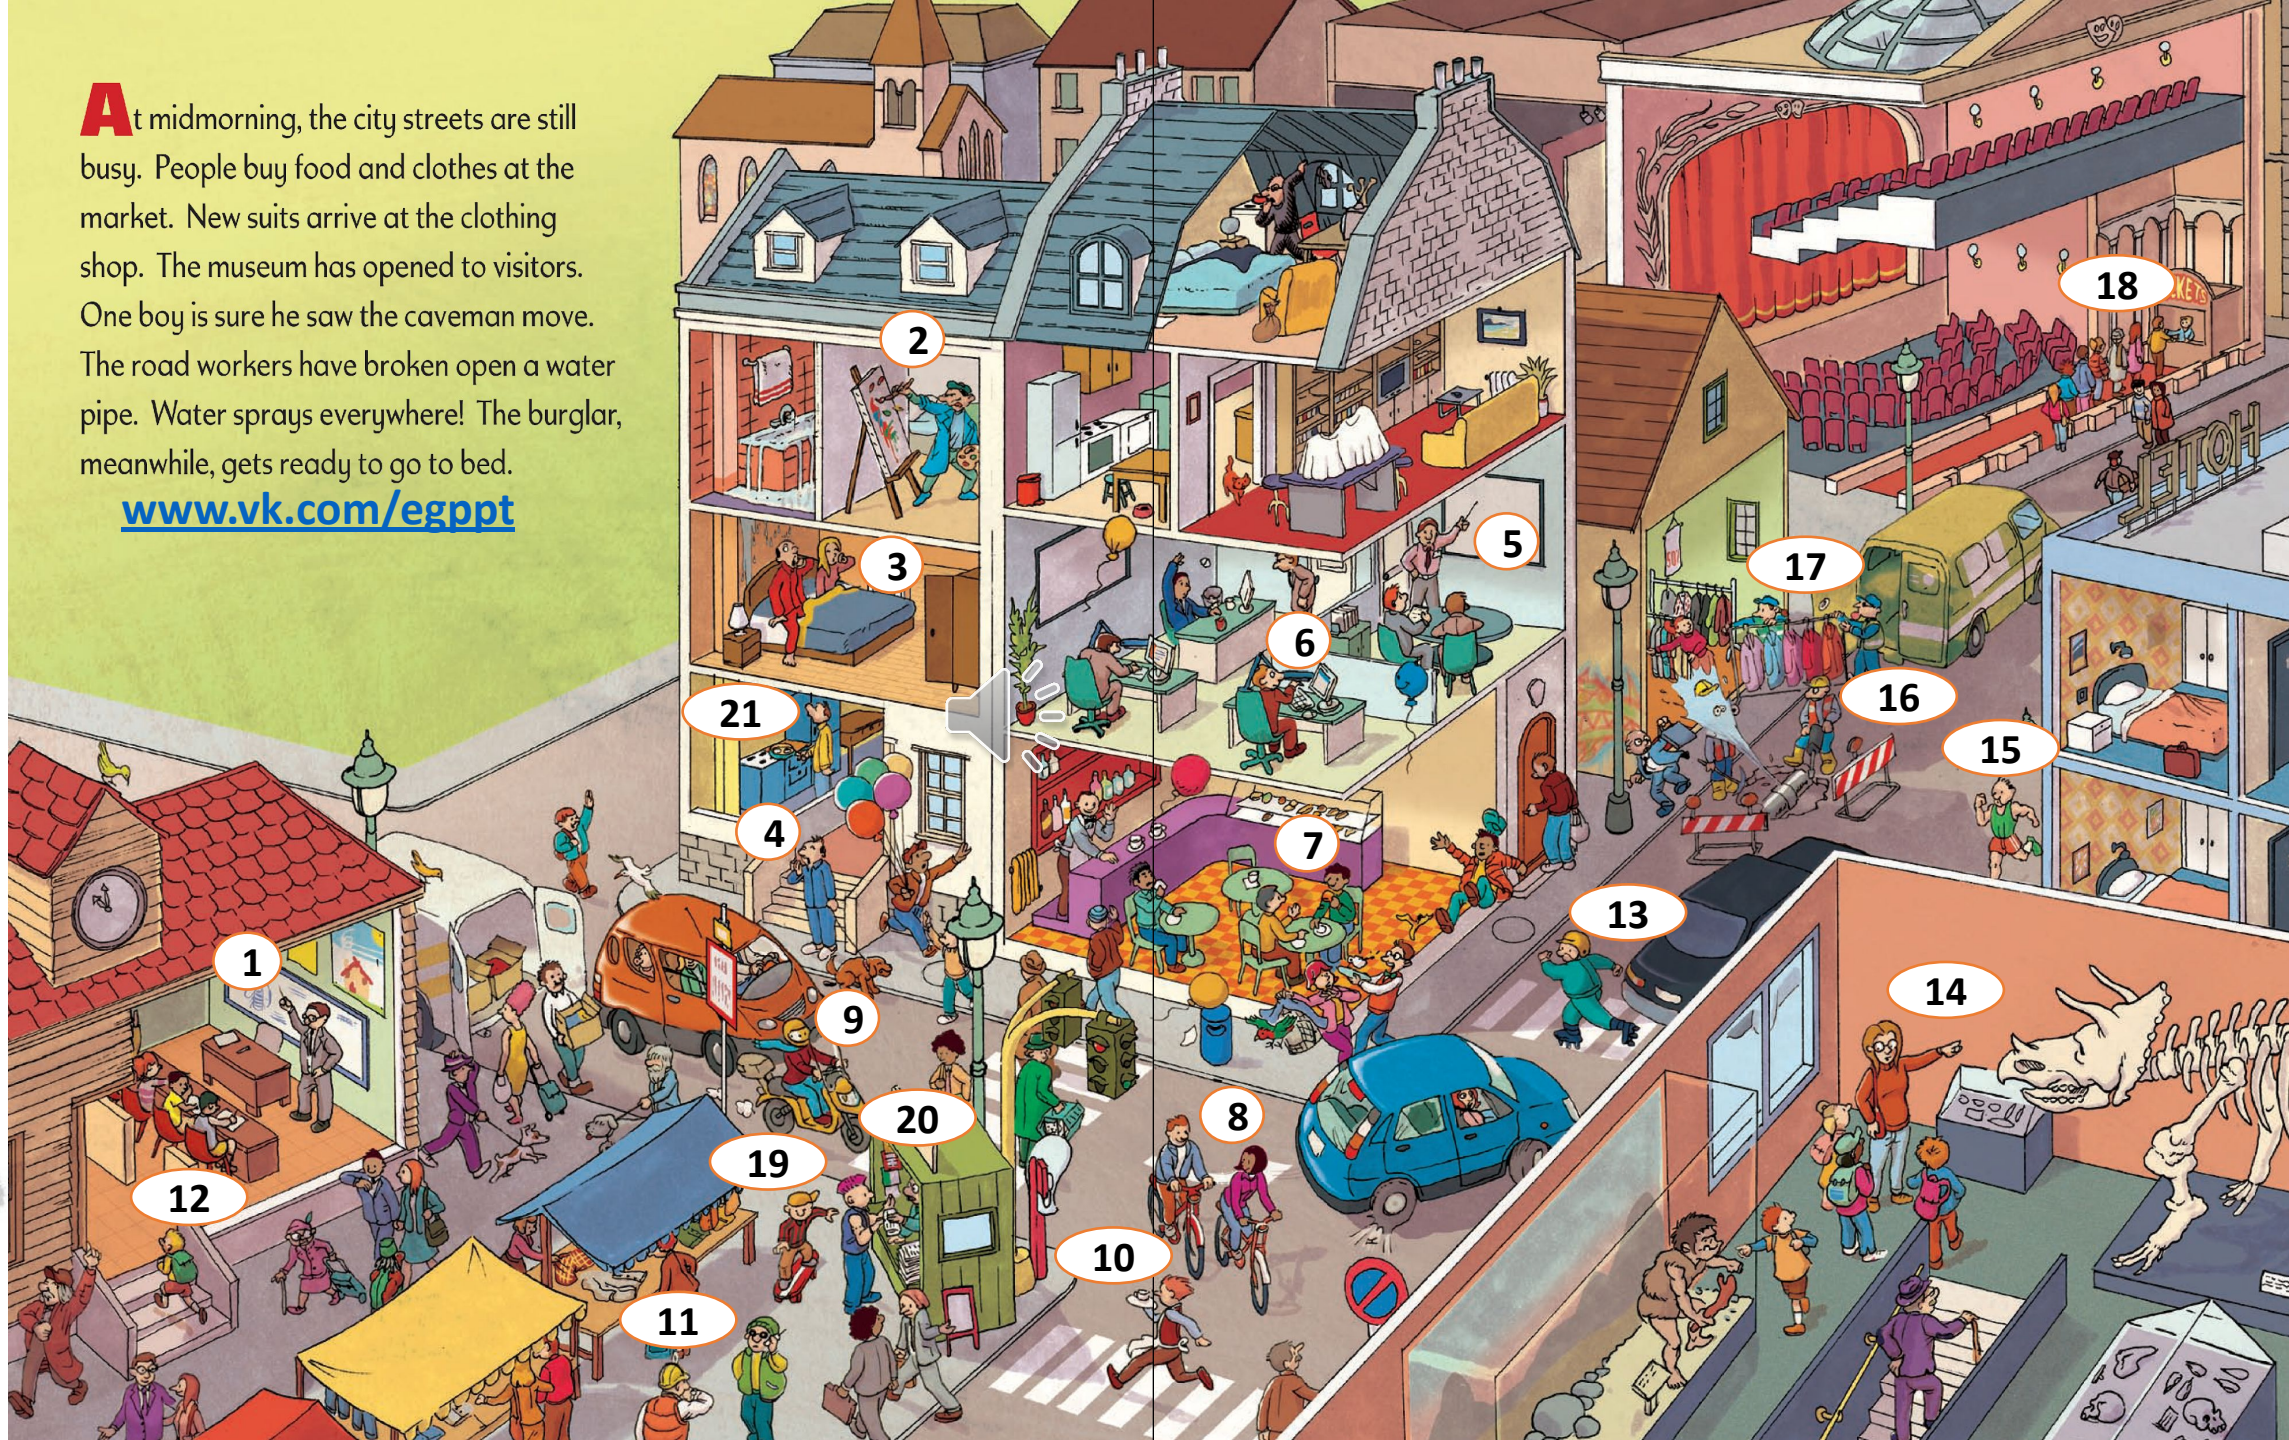

some balloons?

road repair?

**A**t midmorning, the city streets are still busy. People buy food and clothes at the market. New suits arrive at the clothing shop. The museum has opened to visitors. One boy is sure he saw the caveman move. The road workers have broken open a water pipe. Water sprays everywhere! The burglar, meanwhile, gets ready to go to bed.
