Drawbacks of technology in health

2Bac/Pc2

**1-PHYSICAL
INACTIVITY**

**2-“COCOONING”
=TOO MUCH
TIME ALONE
WITH A
COMPUTER
LEADING TO
LONELINESS
AND
ISOLATION**

At the end, we have to say that technology is a double edged sword, but it's a necessary evil that drives mankind to more promising future and a better way of living, but is the price that we have to pay for this future worth it? should we suffer for wars and such for the sake of evolving? or should we stop it and start living a more simpler life where we can understand each other better without technology?
