CELL PHONES

- 1) How often do you use it?
- 2) Where DON'T you use it? Why?
- 3) Who are the most typical users?

Nearly half (47%) of U.S. teens say their social life would be **nonexistent** without their cell phone.

The **majority** (57%) of teens view their cell phone as the key to their social life.

Vocabulary:

nonexistent: something that is nonexistent does not exist at all, or is not present in a particular place

majority: most of the people or things in a group
