

New York City, New York

New York City is the most populated city in the USA with over 8 million residents. It is situated at the mouth of the deep Hudson River, so it has always been the gateway to the USA.

People who come to NYC by ship see the Statue of Liberty first. It is the symbol of NY and freedom for people all over the world.

The center of NY is Manhattan Island. Here you can see numerous skyscrapers which house banks and offices of American business: the Empire State Building, Rockefeller Center, The United Nations Building, Central Park, Times Square, Broadway.

Manhattan is often called the “cultural capital of the USA.” There are more than **800** museums in NY.

One of the best known is the **Metropolitan Museum of Art.**

The Museum of Natural History

The NYC Public Library

Broadway is the symbol of American theater

Wall Street in Manhattan is the financial heart of the USA and the most important banking center in the world.

‘Fifth Ave’ is a shopping center of NY. The shops here are luxurious and expensive. Brands include Tiffany & Co., Louis Vuitton, Prada, Chanel, and more!

The crossing of Broadway and Seventh Avenue forms the world-famous **Times Square**, where New Year's Eve celebrations always take place.

Central Park is called “the lungs of NY.” There are lakes, nice green avenues, two skating rinks (in the winter), many sports grounds and playgrounds for children, and the zoo in the park. It is surrounded with a 10km-long trek which is very popular with bikers, roller-skaters and joggers.
