

PRESENTATION IN English **ON THE TOPIC OF:** **«DISCRIMINATION»**

PREPARED BY ADYUS ROMAN

DISCRIMINATION

WHAT ?

- The concept of "**discrimination**" is associated with the Latin word «discrimination», which means "pinching" or "contrast".
 - **Discrimination** is a negative attitude, prejudice, violence, injustice and deprivation of certain rights of persons because of their membership in a particular social group.

DISCRIMINATION

DISCRIMINATION OF PERSONALITY

WHAT ?

- In modern society, the individual is called negative **discrimination**, unfair treatment of certain social groups and the deprivation of certain rights. Such people feel worse than others, denying them opportunities and privileges available to other groups, as well as the form of these negative public opinion.
- **Discrimination** of the person can be on different grounds - sexual orientation, nationality, religion, race, sex, age, and even occupation.

DISCRIMINATION IN EMPLOYMENT

WHAT ?

- Widespread in the world received **discrimination** in employment, in which employers restrict the rights of individual workers or deny them employment on any grounds.
- Infringement can be expressed in unequal remuneration for equal volume of work performed, denial of training or career development.

DISCRIMINATION IN EMPLOYMENT

PRICE DISCRIMINATION

WHAT ?

- Under price **discrimination** understand the situation in which identical goods are sold to different buyers at different prices. Its meaning lies in the desire of the seller to sell their products at the highest price possible, so he sets different tariffs depending on the amount of purchased goods or from the income of the buyer.
- It should be noted that discounts for pensioners or students, too, are a kind of **discrimination** in relation to other segments of the population. Similar **discrimination** can be called the sale of air tickets of different classes or travel in public transport.

THE WAR ON DISCRIMINATION

WAR !

- The fight against **discrimination** is carried out not only among ordinary people, but also at the international level. In 1948 the United Nations published the Universal Declaration of Human Rights, which recommended to the execution of all the member countries of the organization.
- Regularly in the world proclaimed the special international days, which are intended to draw attention to a particular problem in the society. Widely known for the so-called policy of "positive discrimination", according to which certain categories, obviously subject to the infringement of the privileges granted.
