or emelianenko

For nearly ten years Fedor remained undefeated, which is unprecedented in the history of MMA. The first official defeat of Emelianenko received under very controversial circumstances: on 22 December 2000 in the framework of the tournament "KingofKings 2000 Block B" Japanese fighter Cusichaca split the eyebrow Fedor prohibited by the blow of the elbow, and already on 17-Oh to second of a match, the doctors were forced to stop the fight. Since the fight was in the tournament, had to be the winner, which would have continued the way to the final. Emelianenko could not continue to participate in the tournament, so the winner of the battle was recognized as Kosaka. In this regard, many fans of mixed martial arts, not taking into account this defeat because of his illegitimacy, believed Emelianenko the only undefeated MMA fighter prior to his defeat Fabriciana that Fedor lost suffocating reception "triangle" on June 26, 2010 in the framework of the tournament "Strikeforce 26".

In addition to his career as a professional fighter Emelianenko at one time was one of the owners of the company "M-1 Global" — the largest Russian promoter of fights on the mixed single combats, and in 2012 was elected President of the Union of the mixed fighting single combats of MMA of Russia. In the same year Theodore became an adviser to the Minister of sport of the Russian Federation and a member of the Council for development of physical culture and sports.

- In the period from 2003 to 2010 Emelianenko worldwide have recognized the well-known sports media ("ESPN", "Sherdog", "FullContactFighter", "MM Weekly", "Nokaut") best MMA fighter in the heavyweight division. In the same period in the lists of the best fighters regardless of weight class (eng. pound-for-pound) Emelianenko held a leading position, being in first place on the publication "MMA.com" second — version "MMANews" and third version of "Sherdog" and recognized by many experts the best MMA fighter in the history of the sport.

Thank you for your attention
