

Metallica

Or

Imagine Dragons

Metallica is American heavy metal group, formed in 1981 year . Performs music in the style of thrash metal and heavy metal. In Metallica are six participants :
Clifford Lee Burton
Lars Ulrich
James Alan Hetfield
Kirk Lee Hammett
Robert Trujillo
Jason Curtis Newsted.

This group includes the "big four of thrash metal." The most famous songs of this group are "Astronomy", "The Memory Remains" Well Metallica is older than Image Dragons and more popular. Also, this is my favorite group.

Imagine Dragons is an American indie rock band formed in Las Vegas, Nevada in 2008. In this group four persons: Dan Reynolds Ben McKee Wayne Sermon. this group became popular after the release of their debut Studio album *Night Visions*. Participants this group is younger s participants from Metallica
